THE THIRTEENTH ANNUAL MEETING

The minutes of the Thirteenth Annual Meeting of the Congregational Union of Canada, held in the First Congregational Church, Hamilton, June 2nd to 6th, 1919.

The Union Service was conducted by the Chairman, Rev. Matthew Kelly, on Thursday evening, assisted by Revs. A. F. Pollock and E. Munson Hill, D.D. The Sermon was preached by Rev. T. W. Davidson. The Communion Service took place at the close, and was conducted by the pastor of the church, Rev. Alfred J. Barnard, assisted by representative deacons.

WEDNESDAY MORNING, JUNE 4TH

The Union was called to order by the Chairman at 9.30.

The report of the Executive Committee was presented by the General Secretary, who moved its adoption. This was seconded by Rev. Dr. Pedley and carried.

Report of the Executive of the Congregational Union of Canada for the year ending June 1, 1919.

With glad hearts we come at this Union meeting out of the long four years of shadow and storm into the sunshine of the new day of peace. The storm is not yet all over, and the rumblings of war are still heard in the distance, but above us the sky is blue and our boys are coming home.

With humble and grateful hearts we render praise to the Lord of hosts for the complete victory He has given to us. We remember with thanksgiving the steadfastness and moral courage of our great Allies. We think with pride of the skill of our leaders and the deeds of our own splendid men. We welcome those who return, and we will not forget those who in Flanders' fields

“Beneath the small white crosses
 Have laid them down to sleep.”

We pray, too, that we may never fail in kindly love to those who have left part of their strength at the battle-front and face in our midst a crippled life.

We give our thanks to the leaders of our Allies and of our Empire for the terms of peace which are planned, not only to fulfil justice, but to prepare for a new and happier era for all peoples.

Somewhat to our surprise, we find, as we turn to our own lands and the tasks of peace, that things cannot be put back where they were. The wine of the new day needs new wineskins. There is a changed and enlarged spirit in

our people that seeks better ways in all departments of life. Here lies the eternal task of the church in filling the hearts of men with the Spirit of Jesus and bringing in our social life the fulfilling of His Kingdom.

For these purposes the churches of Canada have combined in a National Forward Movement, for the deepening of the spiritual life, the enlisting of recruits for Christian leadership, and an adequate meeting of our responsibilities at home and abroad. This will be fully reported to the union by our Forward Movement Committee.

Our Military Service Board will also report in their record for the year that the Military Service Boards of the churches in Canada have combined in a Federal War Service Commission, which has dealt in a united way with the helping of our soldiers abroad and on their way home.

The Sunday Schools of Canada joined again this year in contributions for Armenian relief.

Co-operation and federation of local churches has made considerable progress, as between the Methodist and Presbyterian churches and our own, as the Church Union Committee will report.

In all these things the year has therefore been marked by a growing co-operation of the Protestant Churches in Canada. We hope that in the grave problems of social re-construction the same unity among the churches may be markedly helpful. A special committee will present to you a carefully prepared resolution, bearing upon the relation of our Union to social and economic problems.

In matters more particularly relating to our Congregational Church life, the year has been marked by the sending out, by our Foreign Missionary Society, of the largest reinforcement for the work in Africa that has been sent in any year of the history.

In the home field the United Brethren Association has completely united with the Western Association, a union that will strengthen both Associations.

The matters committed to the Executive have been dealt with and we submit to you, according to notice of motion of last year, a very much revised set of Standing Rules, which give effect to the recent growth and changes in our Union procedure.

A revision of the roll of the Union will also be submitted to you.

The programme for the Union has been prepared and is herewith submitted.

The receipts and apportionments for the year are herewith presented.

It is with regret that we chronicle the loss, by death, of Mr. Henry O'Hara, ex-Chairman of the Union and a life-long and enthusiastic Congregationalist; also the death, in battle, of Lieut. H. W. W. Copp, who, before going to the front, was Treasurer of our Publishing Department; also the sorrow which has come to the home of two of our members, Rev. E. LeRoy Rice, in the death of Mrs. Rice, and Rev. T. J. Williams, in the death of Mrs. Williams. To the relatives your Executive has expressed their very sincere sympathy.

We welcome to our Union's meetings Rev. W. Carey Walters, Minister Emeritus of Victoria Street Congregational Church, St. Heliers, Jersey, who comes to us as the representative and bearer of greetings from the Colonial Missionary Society.

We welcome, also, two of our missionaries, Rev. I. W. Pierce, of Harpoot, Turkey in Asia, who was interned in Beyrout during the war and has seen the sufferings through which the people of the near East have passed. We welcome also Rev. J. T. Tucker, Principal of the Currie Memorial Institute at Dondi, West Central Africa.

We have to thank also, in an especial way, our hosts, the Pastor, Rev. A. J. Barnard, and the good friends of the Hamilton First Congregational Church, who have, at such short notice, undertaken to entertain the Union. We hope that the meetings and the fellowship may in some measure repay them.

All of which is respectfully submitted.

WILLIAM T. GUNN, General Secretary.

The constitution as revised was then presented, and carried.

The Revision of the Roll was submitted, and carried.

Rev. Dr. Hill suggested that a by-law be made recognizing licensed pastoral supply.

Applications for membership were received from: Revs. E. D. Hughes, Geo. F. Sears, Frank Purnell, D. McColl, W. H. Thomas, A. J. Barnard. These were referred to the Membership Committee. An application for membership in the Union was received from the Union Church, Alsask; the same was referred to the Membership Committee.

On motion the recommendation that Rev. Carey Walters sit as a corresponding member was referred to the Membership Committee.

A letter of greeting was received from the Rev. G. A. Sanden, of New Norway. It was moved and carried that it be referred to the Resolutions Committee for a suitable reply.

Dr. Gunn reported on his visit to the Maritime Union, as delegate. Greetings were received from Mr. G. H. O'Hara, and regrets at inability to be present.

Dr. Gunn moved, seconded by Mr. J. B. Waugh, that the Business Committee be instructed to bring in a list of delegates to the Presbyterian Assembly and the Methodist District Conference.

The Union then gave place to the Canada Congregational Missionary Society.

At 12 o'clock the Union was called to order by the Chairman for the Devotional Hour, at which the Rev. Geo. A. Mackenzie took the place of Rev. Geo. Adam and delivered the address.

The Union then adjourned.

The Union assembled at 8 o'clock. The Rev. Alfred J. Barnard, pastor of the Church, delivered an address of welcome, after which the Chairman gave an address on "Reconstruction, or The Building of a Better Canada."

THURSDAY, JUNE 5th.

The session of the Union met at 9.30 a.m., with the Rev. Matthew Kelly in the chair. The Revs. W. H. Thomas and A. F. Pollock led in prayer. The Recording Secretary read in part the minutes of the first day.

Greetings were then read from Major (Rev.) H. I. Horsey, Rev. W. E. Gilroy, and Mr. Walter E. Booth.

On motion of Rev. Dr. Gunn these letters were accepted.

On motion of Rev. Dr. E. Munson Hill the name of Rev. E. D. Silcox was added to the Membership Committee.

Rev. E. D. Silcox then presented the following recommendations:

That the application of Rev. Edward Daniel Hughes be granted.

That the application of Rev. Frank G. Purnell be granted.

That the application of Rev. W. Henry Thomas be granted.

That the Rev. Alfred J. Barnard be received as soon as a letter of transfer comes to hand.

That Rev. Dr. Milarr and Rev. W. Carey Walters be asked to sit as corresponding members.

That the Union Church at Alsask, Sask., be received into the Union. On motion the recommendation was adopted.

Judge S. P. Leet, in behalf of the Business Committee, made the following recommendations:

Those portions of the Executive Committee of the Union relating—

(a) To the close of the war; (b) To the demise of certain officers of our Union and Societies; (c) To the visit of the Rev. W. Carey Walters, representing the Congregational Union of England and Wales, and the Colonial Missionary Society; (d) and to the courtesies to us of the Hamilton Church and people, be referred to the Resolutions Committee to present suitable resolutions.

As to the questions relative to—

(a) Peace and Reconstructions; (b) National Forward Movement; (c) Military Service; (d) Co-operation with other Churches; (e) Relating to the Foreign Missionaries and their work. These will appear in the reports of the committees and societies having charge of these matters and will be considered when these reports are presented. On motion the recommendations were adopted.

Rev. E. D. Silcox, in behalf of the Social Service Committee, presented a report dealing with "Prohibition."

On motion of Dr. Warriner and Judge Leet, it was agreed that this be submitted to the Resolutions Committee.

The Union then proceeded to the election of chairman. The Revs. Dr. Daley and A. F. Pollock were appointed scrutineers. The ballot resulted in the election of Rev. A. Margrett, who was presented to the Union by the Rev. J. T. Daley, D.D.

Rev. A. Margrett presented the statistical report.

Rev. Dr. Warriner moved, seconded by Judge Leet, that the recommendations of the Statistical Secretary, that the statistical forms be simplified, and that the apportionment be revised, be referred to the Business Committee.

Rev. W. H. Warriner, in behalf of the Committee on Church Union, presented the following report:

"The admirable report on co-operation with other churches in missionary work, presented by Dr. Gunn at the last Union meeting, surveyed the co-operative efforts of the three negotiating denominations throughout the Dominion. The adjustments then reported as having been made have, as far as reported, worked out satisfactorily, and others then planned have since been carried out. There has been, in fact, a good deal of quiet re-adjustment between the three denominations throughout the Dominion.

"We may mention as fields in which we are specially interested the following:

"*Margaree, N.S.*—The federation of three Presbyterian causes with our Church has now been happily effected, the four stations being under the pastorate of the Rev. J. H. Sulston. This enables them to provide the minister with a salary of \$1,200, besides the use of two manse, one for the winter and the other, which is by the sea, for the summer. The missionary grant has also been materially reduced.

"*Economy, N.S.*—Here our Church has federated with the Presbyterian churches of Upper Economy and Five Islands, under the pastoral care of a Presbyterian minister. The federation has resulted in this group of churches becoming self-supporting, and at the same time giving their pastor \$1,200 a year with the use of a manse.

"*Fitch Bay, Quebec.*—The arrangement entered into last year by which the Methodist charges at Georgeville and Smith's Mills united with ours, has

now been confirmed by the settlement as pastor of the Rev. R. W. Carr, with a salary considerably increased.

"Union Church, St. Anne de Bellevue, P.Q.—This church has now been in existence about seven years. It receives a grant from the Missionary Societies of the three co-operating denominations, and is under the direct supervision of our Inter-denominational Committee, representing the three denominations. Its special importance lies in its ministry to the students and professors of Macdonald College, a large proportion of whom are in its membership. In the recent establishment of a large military hospital at St. Annes, its sphere of usefulness has greatly increased. Rev. Norman McLeod, a Presbyterian Minister, its first minister having resigned, he has been succeeded by the Rev. E. I. Hart, D.D., a valued minister of the Methodist Church.

"Co-operation in Ministerial Training.—All are no doubt more or less familiar with the co-operation of four colleges in Montreal. In this work the Anglican Church associates itself with the three denominations. The Theological Colleges of Montreal, as they are called, have just completed their seventh joint session. The past session was marked by the establishment, through them and under their supervision, of a Khaki Theological Faculty, in connection with the Khaki University for soldiers overseas and located at Ripon, in England. This was first projected when peace was not expected so soon as it came and when it was thought that demobilization might occupy two years or more. The College at Ripon will now probably close with the end of this month. But it has already, during the six months or so of its existence, done very valuable work. It has about sixty theological students enrolled and in regular attendance upon its classes. These students represent seven different denominations and every province in the Dominion. It is a work quite unique, certainly as far as Canada is concerned in its catholicity as a theological college.

SPECIAL CITY PROBLEMS

"The modern city presents a number of problems that cannot be adequately solved without the co-operation of all the religious forces of the city. The inadequacy and utter wastefulness of the efforts of religious forces operating independently of each other, and not seldom in rivalry, is nowhere so obvious as in the great cities where masses of people, often of an alien language, are allowed to grow up and multiply in ignorance, poverty and vice. Happily the churches are waking up to a sense of their duty.

"In Toronto a committee representing the three denominations, and with the assistance of the Y.M.C.A., has, during the past winter, made a preliminary survey of the down-town portions of the city and collected a large amount of information which prepares the way for future action of a co-operative character.

"In Montreal the Inter-denominational Council has for some years directed its attention particularly to the foreign population and made surveys of the field and its possibilities.

"It is expected that an appeal will shortly be made to the missionary societies of the three denominations and to the Y.M.C.A., which is equally interested in this work, to join in the formation of a special Inter-denominational Advisory Council, which shall be empowered to engage an expert to examine the needs and the possibilities of the work so that it can be taken hold of in a more satisfactory manner.

CO-OPERATION IN TOWN AND COUNTRY WORK WITH THE Y.M.C.A.

"Reference has been made to the co-operation of the Y.M.C.A. with the churches in city work, but the town and country districts also present opportunities for increased fellowship in service. We note with pleasure that here also steps are being taken leading to a closer co-ordination of the efforts of

the Y.M.C.A. with those of the churches, specially with relation to work among boys in the rural districts of our country. This is a movement which we heartily endorse.

THE FORWARD MOVEMENT

"Mention should also be made in this report of the operations of the committee of five denominations. This committee has been laying plans for the inauguration of a National Campaign which shall have for its object a forward movement in all the churches. This matter will be presented to the Union by a special sub-committee of your Executive.

CONCLUSION

"These are all welcome evidences of the growing spirit of unity among the churches. They are realizing, as possibly never before, that the salvation of our country demands that wasteful overlapping shall cease, and that sporadic and disconnected efforts of individual churches and denominations are not adequate to the great tasks before us; that the religious forces of the country must get together in large comprehensive undertakings more worthy of the dignity of Christ's Kingdom.

"We regret that the definite union of the Methodist, Presbyterian and Congregational Churches has been so long delayed. No doubt the cause of Christ has suffered through it. This long period of uncertainty has been an element of weakness in the life of each of the three denominations. We can only hope that a final decision will not be postponed a moment longer than is absolutely necessary. Meanwhile, your Committee would urge our churches, while cultivating the spirit of co-operation in all Christian work, to be true to their own special responsibilities and guard diligently against any weakening, disintegration or slackening of endeavour which is so apt to overtake us in this period of indecision.

"We must be true to our own household if we are to be worthy of a place in that larger family of God, for the consummation of which this Union is committed."

On motion of Dr. Warriner, seconded by Rev. H. D. Whitmore, the report was adopted.

The Union then gave place to the Canada Congregational Missionary Society at 11 o'clock.

At 12 o'clock the Chairman called the Union together when the Rev. George Adam delivered an address on "The Joy of Labour."

FRIDAY, JUNE 6th, 9.30 A.M.

The regular business session of the Union opened at 9.30 with the chairman, Rev. Matthew Kelly, presiding.

Rev. Dr. Pedley presented the report of the Forward Movement Committee, at the conclusion of which the following recommendations were made:

1st. That the Rev. Frank J. Day, D.D., be appointed to act as Director of the Movement.

2nd. That the members of the Union pledge their hearts and prayerful support to the movement so pregnant with possibilities for the life of our churches and the welfare of our land.

3rd. That the Home Missionary Society be requested to utilize, as the nucleus for a campaign fund, the surplus in the treasury of the Geo. Robertson fund, and also the income for the current year. As this fund was created by

the donor with a special view toward aggressive work, we feel that there could be no better use for it than that herewith recommended.

4th. That the present Committee be continued with power to add to its numbers in such a way as to further any plans for organization that may be regarded by the Director as essential to the successful carrying on of the work.

On motion of Dr. Pedley, seconded by Mr. Walter Bale, the report was adopted.

Dr. Warriner, in behalf of the Nomination Committee, stated that he was ready to submit the nomination of officers for the ensuing year.

On motion of Dr. Pedley, the report was taken as read, and adopted.

Rev. T. W. Davidson presented the following resolutions in behalf of the Committee on Resolutions:

1. The Congregational Union of Canada, in common with the Universal Church, desires to offer thanks to Almighty God, for the cessation of the World-War, and the unparalleled victory afforded to the armies of the Allied forces since its last annual meeting. The Union humbly accepts this crowning mercy as an answer of God to prayer, and as an opportunity for renewed consecration in the service of Christ.

2. The Congregational Union desires to express its deepest appreciation and gratitude to our brave men, who by life, or by death, made this victory, under God, possible; rejoices with those whose sons are restored to them in safety, and afresh deeply sympathizes with all our families who have been bereaved of their best during the war.

3. The Union rejoices in the measure of success which has so far attended the labours of the Peace Conference in Paris, and prays that it may find wisdom to reach an amicable and lasting settlement on the problems still unsolved. It further welcomes the scheme for the League of Nations to prevent the recurrence of war, and prays that these ideals of our Divine Redeemer, the Prince of Peace, may be so translated into the life of men and nations, that they may be, ere long, realized in a reconstructed world.

4. We recognize, with profound appreciation, the Union of the United Brethren with the Western Association, now so happily consummated, and congratulate the leaders on bringing the negotiations to such a successful issue. We pray that the re-inforced Western Association, as the result, may enter on an era of abounding spiritual prosperity.

5. The Congregational Union of Canada desires to express to the Congregational Union of England and Wales, to the Hampshire Congregational Union, and to the Colonial Missionary Society, its sense of satisfaction and delight, at the presence of Rev. W. Carey Walters, their distinguished representative to our gatherings. Mr. Walters, by his public messages and personal urbanity, has won all our hearts, and we have been inspired by his wise and eloquent utterances during our annual meetings in the City of Hamilton. The Union assures the parent bodies of its warmest appreciation, and thanks them most cordially for the renewed token of their interest in our affairs; and requests Mr. Walters to carry the expression of our greetings and good-will to the three organizations overseas, to whose leaders we are so deeply indebted.

6. The Union desires to place on record its expression of condolence and sorrow with the relatives of the late Mr. Henry O'Hara, of Toronto, a beloved ex-Chairman of our Union, and a man of unblemished and beautiful character, whose interests in the work of God were maintained to the close of his long career, and that copies of this resolution be sent to the members of the bereaved family.

7. The Union also desires to express its sense of loss in the death of Lieut. Harold W. W. Copp, the Honorary Treasurer of the Publishing Committee, who, during the year, was killed in action, and begs to assure his relatives of its deep sympathy in the death of such a gallant brother whose

heroic example is an inspiration to all who knew and esteemed him so highly, "and, who being dead, yet speaketh."

8. Resolved, that the Union extends the assurance of its sympathy and condolence to the Rev. E. LeRoy Rice and Rev. Trevor Williams, two of our honoured ministers, who each has recently lost his trusted life-partner by death, and desires to commend these beloved brethren to the God of all comfort, in these days of trial and bereavement.

9. Resolved, that the Union sends to Rev. A. E. Cooke, of Vancouver, its assurance of loving sympathy and esteem in the protracted illness of Mrs. Cooke, and prays that if it be the Divine Will she may be spared to him in his arduous and successful toil for the Master.

10. Resolved, that a letter of greeting and good-will be sent to Rev. G. A. Sanden, our esteemed Swedish minister of New Norway, on the occasion of his retirement, and prays that God may grant him a peaceful eventide after his long and faithful years of service in the Kingdom of Christ.

11. We present our best thanks to the Rev. Alfred J. Barnard, the minister of First Congregational Church, Hamilton, his office bearers and trustees, for their warm welcome to the use of their beautiful church premises for the meetings of the Union. We desire also to assure the Secretary of the Arrangements Committee, Mr. J. P. Morton, of our warmest appreciation of his services, and the ladies of the congregation and of Immanuel Church, under the leadership of Mrs. Tulk, for their generous hospitality in their homes, and in the evening social hour, which proved so enjoyable each night. Our thanks are also presented to the committee of ladies who adorned the church daily with choice flowers, and to Mrs. Waugh, of Stratford, who, in the absence of the organist, took charge of the music, and to the church choir, for their inspiring ministry of song during the week.

12. That we assure Miss Alexander of our appreciation and warmest thanks for her delightful Garden Party on Wednesday evening, and to the gentlemen who so generously provided the automobiles, making the journey to and from the grounds so easy and pleasant for all concerned.

13. The Congregational Union, having heard Mr. Charles W. Bishop, General Secretary of the Y.M.C.A., endorse the proposal that the time has come when the Y.M.C.A. should be brought into closer relationship with the churches, and hereby appoints a committee of this Union to meet with the Committee of the Y.M.C.A. National Council and similar committees of other church courts, to consider the whole matter.

14. The Congregational Union having unanimously approved the recommendations of the Forward Movement Committee, and promised to support them in every possible way, further suggests, that power be given the Committee to arrange for a delegation to visit Great Britain in the interests of the movement, during the fall of the present year.

On motion of Rev. T. W. Davidson, seconded by Judge Leet, the resolutions were adopted.

Rev. Geo. Adam, in behalf of a special committee appointed by the Executive, presented the following resolution endorsed by the Executive:

That the Congregational Union of Canada, in view of the conditions, tendencies, and necessities of the times in which we live, and in recognition of the divinely appointed mission of the Christian Church in regard to regeneration and perfection of human society, put on record before its membership and constituency the following resolutions:

(1) That this country generally, and especially the various governmental and legislative authorities, ought to recognize in thought and practice, and to enact in the statutes of this country, the right and obligation of every man to work, and further, that every necessary means and opportunity be given his children to prepare them for becoming efficient and contributing citizens.

(2) That similarly, the citizens of this country in their diverse, individual

and collective capacities affirm, in the true industrial, social, and ethical sense of the expression, the principle of the minimum wage, as at least part of the social re-adjustment at which the peoples are everywhere aiming to-day.

This same to be brought about, not by any sudden or imperfectly conceived and merely temporary exercise of regulative control, but as the achievement of the joint deliberate and co-operative effort of labour itself, of capital, and responsible representatives of the community.

(3) Further, and in correspondence with the spirit and real purport of the foregoing resolutions, the cardinal principle of the supreme worth or value of the personality of the human individual (man, woman or child), and of the highest possible developments of that personality, become in deed and in thought the one aim of all international and national policy.

(4) That immediate steps be taken to impress upon the Government the urgent need for re-establishing an effective control of the prices of the necessities of life.

On motion of Rev. Geo. Adam, seconded by Rev. H. D. Whitmore, the resolution was adopted.

Rev. Dr. Warriner moved, seconded by Rev. Dr. Pedley, that we increase the salary of our General Secretary, Rev. Dr. Gunn, the details to be left to the Executive Committee. Carried.

The Chairman then introduced to the Union Rev. Dr. Clark, of Halifax, and Mr. W. B. Wood, who brought greetings, as delegates, from the Presbyterian General Assembly.

On motion of Dr. Gunn, it was agreed that we adjourn at 12.45 to meet again at the close of the college session.

Rev. R. W. Carr reported that Revs. Geo. Adam and W. H. Thomas had been appointed as delegates to the Presbyterian General Assembly by the Business Committee.

SOCIAL WELFARE, 1918-1919

The present sessions of the various Provincial and Federal Houses have been noteworthy in the time and interest devoted to problems of Social Welfare. The war has brought to the citizens of Canada, a deeper realization of a mutual responsibility each for each, in the life of the state. The discussions on Housing, Health, Industrial Life, Immigration, Prohibition, and minor issues involving moral and social principles, are but practical evidences of this growing social consciousness. It would seem fitting, then, that any report on social service at this time should be, more or less, a recording of progress in the treatment of the various problems crying for solution.

In two fields matters are approaching a crisis,—those of Prohibition and Industrial Relations. The United States' "bone-dry" amendment was ratified in January, 1919. Canada was then under war-time prohibition legislation, which it was confidently expected would be made permanent. However, public opinion began to show considerable favour towards a moderate policy, reserving beer and wine licenses. In Quebec, on April 10th, the electors endorsed this policy by over 100,000 majority vote. Ontario will vote on a similar referendum on October 20th, while British Columbia will probably submit the same question to her people. In the other western provinces and the Maritime provinces, Prohibition is probably permanent, since it has been endorsed by their legislatures. The Federal Government has reinforced provincial legislation, by its recent enactments, whereby manufacture and importation are forbidden in any province adopting provincial Prohibition. Our activities must now be directed to obtaining successful results in the various provincial referenda.

INDUSTRIAL RELATIONS

At the present moment, Winnipeg and Toronto are in the clutches of general strikes, while uncertain reports come of disturbances in Regina, Calgary, Edmonton, and Vancouver. Labour demands a forty-four hour week, and the right of collective bargaining, while the employers maintain that such a shortening of hours will make it impossible to compete industrially with the manufacturers of other countries, who are unhampered by such a reduction: While recognizing the principle of collective bargaining, as inclusive of the workers in their own plants, the employers are unwilling to concede the right to a sympathetic strike of all the workers in a certain trade, when only one factory or one particular department has a grievance. Be the arguments or the agreements what they may, the whole situation is the culmination of the industrial discontent of the last few months. The Royal Commission appointed to report on June 1st on the situation in Canada was instructed, among other things, to "obtain information as to the character and extent of organization already existing among bodies of employers and employees, respectively, and to investigate available data as to the progress made by established joint industrial councils in Canada, Great Britain and the United States." Upon the publication of their report, we can make a more definite attempt to solve the inter-woven problems of demobilization, unemployment, increased cost of living, and industrial unrest.

PUBLIC HEALTH

Throughout the Dominion, it would seem, greater thought and value is being placed upon the physical well-being of humanity.

THE FEDERAL DEPARTMENT OF PUBLIC HEALTH

On March 26th, the Hon. N. W. Rowell introduced a Bill to establish a federal department of Public Health. The new department, which will be under a Minister of the Crown, is given power to co-operate with provincial

and other health authorities; to deal with questions of child health and child welfare; to supervise the medical care of immigrants, and public health regulations on railways, boats, ships, and federal public buildings, where the health of government employees, etc., is concerned; and the regulations regarding the pollution of boundary waters.

The bill provides for the establishment of a Dominion Council of Health, consisting of the Deputy Minister and the Provincial Health Officers, with not more than three others, appointed by the Governor-General-in-Council for three years.

In addition to the annual Report, the Department is to publish and distribute all such information as shall promote good health and improved sanitation in the country.

It is not too much to say that the new department is a direct result of the war, and the consequent greater emphasis on the value of human life. It is to be hoped, that other great public needs will not require such stern promoters.

Saskatchewan has consolidated her health laws, by establishing both a Council and Bureau of Public Health. The Bureau shall be under the supervision of a Commissioner, who is given ample power to act in the best interests of the health of the Province. Manitoba, British Columbia, and Alberta have enacted amendments looking to the better administration of their municipal hospitals. Alberta is to be congratulated on the concise and timely articles now appearing in her monthly Health Bulletin, and especially upon the excellently simple style in which this valuable health information is given.

VENEREAL DISEASE LEGISLATION

Of special legislation regarding the social diseases, it is gratifying to note that British Columbia and Manitoba have passed Venereal Diseases Acts, while Saskatchewan has passed a similar act, supplementing and emphasizing the legislation of last session. Five of the provinces (Alberta, British Columbia, Manitoba, Ontario, Saskatchewan) now have drastic legislation on this phase of social health.

SASKATCHEWAN VENEREAL DISEASES ACT

In February, 1918, Saskatchewan passed a Venereal Diseases Act, declaring these diseases contagious, infectious, communicable and dangerous to the Public Health. The Commissioner of Health must be supplied, under secrecy, of course, with the full details of each case, by the medical practitioners. Now a new act has been passed imposing a heavy penalty for anyone who advertises a cure for these diseases, but providing for an appeal to the Commissioner of Public Health, by anyone who is aggrieved by the action of the medical health officer.

Any hospital receiving provincial aid must make provision for the reception and treatment of venereally diseased patients, while the Lieutenant-Governor-in-Council may assign any hospital, any part of it, any house or building, as a hospital place of detention or isolation for the treatment and accommodation of such patients.

THE ALBERTA LEAGUE AND VENEREAL DISEASES

The Report of the Committee on Venereal Diseases, of the Alberta Social Service League, contained many fine recommendations. This Committee has been carrying on a wide campaign on the subject in the province, but is planning for greater activities, since medical men there feel that the evil is increasing. The plans of the League, which require a special secretary along

this line of work, provide agitation to have venereal diseases made notifiable. The physicians are to include in their records,—sex, age, occupation, conjugal state, source of infection, and stage of disease. The Provincial Government will be requested to provide salvarsan without cost, to all physicians applying to it, for treatment, in these cases: this treatment to be continued, until effectual. The doctors and medical association are asked to co-operate by having blood tests made of their patients when deemed necessary. Free literature, posters, lectures, etc., are to be used in the educational campaign, and information sent from the league offices to all persons holding positions of public instruction, in the Province. The Government will also be asked to establish a course of study in Hygiene and Venereal Diseases in all secondary and higher educational institutions.

LEGISLATION RE IMMIGRATION

IMMIGRATION—AMENDMENTS IN CANADIAN LEGISLATION

The war has been a stern teacher, but by its lessons we have profited. The need of a solidly loyal Canadian nation has been brought home to us, in the hour of Empire rocking. This session of the Dominion House has seen important amendments to the Immigration Laws.

Important are the changed requirements for citizenship. Five years' residence (instead of three, as formerly required), are necessary, and no exception is made for persons who entered Canada before the passing of the Act.

Mental defectives, and those who have been insane, *at any time previous* (formerly "within five years previous"), are prohibited; persons afflicted with tuberculosis in any form are now included in this class of "diseased persons" forbidden entrance to Canada. All other regulations regarding the "prohibited classes" are made more stringent, especially those affecting mental or physical defectives, criminals, aliens, anarchists, or similar agitators, and those likely to become public charges.

A new and important qualification is that of *literacy*. Admission will not be granted to persons over fifteen years of age physically capable of reading, who are incapable of reading in some language or dialect submitted passages given them by the immigration officer. Certain relatives of persons admitted are excluded from this ruling, but said relatives are carefully specified.

Provision is made for inspection of immigrants in their own countries, at ports of call en route, as well as when seeking to land.

Power is granted to the Governor-in-Council to prohibit, or limit, temporarily or permanently, the entrance to Canada of immigrants belonging to any "nationality, race or religious sect . . . or of any specified class or occupation, because of any economic, industrial or other condition temporarily existing in Canada, or because such immigrants are deemed unsuitable, having regard to climate, industrial, social, educational, labour or other conditions or requirements of Canada."

The penalties on the transportation companies for bringing undesirables to Canada are increased—the company must now pay to the officer in charge of the port of entry \$200.00, and a sum equal to that paid by the immigrant for transportation.

The Superintendent of Immigration becomes the Deputy Minister of Education.

From the above legislation, it will be seen, that Canada is determined to set a high standard for her citizenship, and to enforce rigorously all legislation tending to the creation and maintenance of that standard.

HINDU IMMIGRATION

According to press notices an agreement is about to be entered into between the Dominion and Indian Governments, whereby Hindus in Canada shall be allowed to bring to this country their wives, with the proviso that only one wife and her children shall be allowed to join each husband.

LEGISLATION RE AMUSEMENTS

MOVING PICTURE LEGISLATION

The increasing popularity of the motion picture renders legislation governing its presentation especially important. In Ontario, at least, the Exhibitors' Association has shown commendable co-operation in working for the best interests of the public, especially in the supervision of child patronage. As a result, the Government is introducing a system of matrons of playhouses, who will have supervision over these children, unaccompanied by adults, *throughout* the performance. Quebec, too, has passed legislation, stringently regulating the issuance of licenses to all places of amusement, while Saskatchewan and Manitoba have amended their existing laws slightly. Satisfactory interest is shown throughout Canada by the public in the censoring and supervision of amusements offered to the people, but little more can be done while the supervision of production lies beyond our boundaries.

Greater emphasis on Canadian productions, especially in the film industry, can alone safeguard Canadian morals and ideals.

Amendments to existing legislation in Quebec raises the age, at which children must still be accompanied by adults, to sixteen years. This whole restriction is relaxed, when the programme is advertised as composed only of pictures, authorized for children by the Board of Censors. The Legislatures of both Ontario and Quebec have passed progressive measures on this subject during the present session.

RACE TRACK GAMBLING

The prohibition of race track gambling, by the Order-in-Council of June 7, 1917, has not been repealed, and therefore will remain in force for six months after the signing of the peace treaty. Moreover, Sir Thomas White has stated in the House, that the Government intends to make a full inquiry into the business, in order to bring down legislation, next session, that will be in the best public interests.

A business of gambling, that permitted its promoters to profit to the amount of \$12,500,000, on a half-season's business in the war year of 1917, seems to require investigation.

LEGISLATION AFFECTING WOMEN

Women are now enfranchised in practically every province, except Quebec, while at the beginning of the session Sir Thomas White announced a Federal Suffrage Bill.

Concerning women in industry it is gratifying to note the growth of the minimum wage.

QUEBEC MINIMUM WAGES FOR WOMEN

By the introduction of her women's minimum wage bill, the Province of Quebec has shown itself ready to grant economic equality to women and to assume responsibility for the weal of its women workers. With this measure,

the ancient province ranges itself in the front rank in industrial legislation with British Columbia, Saskatchewan and Manitoba. These provinces fix their minimum wage for the individual industry upon judgment awarded after the findings of their Minimum Wage Commissions. The District of Columbia cut through the web entirely by fixing the minimum wage for its women workers at \$16.00 per week. The State of New York is discussing similar legislation.

SASKATCHEWAN WOMEN'S MINIMUM WAGE

The Saskatchewan Act covers the cities only, but is given wide powers of investigation. The Bureau of Labor, will, on request, supply the wage Board (three men and two women) with information required in its duties. The general terms of the act follow closely those of British Columbia and Manitoba.

By a companion bill, this Province has provided "that no white woman or girl shall be employed in any capacity, requiring her to lodge in, or work in any laundry or restaurant," unless the place of employment is specially licensed by the municipality.

At the present time recent investigations in various Canadian centres show that some such measure is sorely needed to alleviate the discouraging, ambition-destroying industrial experience of our women in industry. Especially important should this be when we consider the number of women for whom the war will have meant a lifetime of labor and self-support outside of home and family. While the Dominion House is opening the path to political equality for Canadian women, it is gratifying to know that the Provincial Houses are passing parallel measures to assure their economic position.

LEGISLATION AFFECTING THE FAMILY

MARRIAGE AND THE FAMILY

The problem of the soldier's home is a difficult one in some of the provinces. A possible development of the circumstances is the present bill before the Commons to give the power of granting divorces to the Supreme Court of each province. Careful study and discreet action is vitally necessary in adjusting this tragical problem of the war. No proposal has yet been made which would suggest a general successful application. It would seem that each case must receive individual attention and treatment, while the alteration of existing laws to meet the aggravated needs of the present period is a serious and debatable proposition.

MARRIAGE LEGISLATION

Ontario has amended her Marriage Laws this session, seeking to prevent the marriage of minors under eighteen, except by special consent in writing of parents or guardian; or authenticated certificate of birth. Heavy penalties and the nullification of the marriage are incurred otherwise. British Columbia has passed a similar law, except that the age limit is 21 years, and that a declaration may be obtained from a Judge of the County or Supreme Court, on the proposed marriage. No marriage of any person under 16 years of age shall be solemnized, nor any license for the same be issued, except on the discretion of a Judge.

DESERTED WIVES

British Columbia has also passed legislation, providing for compulsory assistance from the husbands to deserted wives deserving of aid. In case of the mother proving an unfit person to have custody of the children, the pay-

ment of the money may be ordered to those persons responsible for the care of the children. Thus the state definitely assumes responsibility for the protection of the rights of the child.

AMENDMENTS TO THE CRIMINAL CODE

It is with pleasure, that we note the re-introduction of the Amendments to the Criminal Code, struck out by the Senate, last session. Hon. Arthur Meighen, the acting Minister of Justice, has carried the Bill in the Commons. Its clauses provide for the raising of the age of consent to sixteen years, and the age of seduction to eighteen years; provide against the seduction of female employees under twenty-one years of age, by employers or superior officials in any employment (previously restricted to factory, mill, workshop or store); and make false registration or representation as man and wife in hotel, boarding house, or lodging house, an indictable offence. Many beneficial prosecutions have been made under last year's amendments, making it a crime to contribute to the delinquency of a child by sexual immorality, or otherwise.

CHILD LABOUR LEGISLATION IN QUEBEC

Though compulsory education in Quebec was not accepted by the Legislature, some indirect progress towards the same goal is to be recorded by the passage of more stringent laws affecting juvenile workers. No boy or girl under 16 years of age unable to read and write fluently may be employed in any industrial establishment, nor by any one carrying on a trade or business; or in the professions. Nor may they be employed by any theatre, moving picture hall, hotel, restaurant, telegraph company, department store, printers or distributing agents of posters, etc. Street trading and newsdealing is forbidden, under the same conditions and even when carried on is not to be permitted after eight in the evening. However, if attending a night school, to the satisfaction of the inspector, boys and girls under sixteen may be authorized to carry on their work.

In all cases of children in employment under sixteen, certificates of study must be presented, in addition to the examination of the inspector.

Quebec has set her face resolutely towards better education for her children, and if present circumstances prevent as complete attainment of her aims as she had hoped, there is much promise, at least, in this indirect measure.

MISCELLANEOUS

SOCIAL INSURANCE

The establishment of Mothers' Pensions in the Province of Alberta is to be recommended as indicative of the deepening sense of social responsibility.

It was thought that Ontario would pass legislation along this line this Session, and though public opinion seemed overwhelmingly in favour of the measure, it has been left over for another year without being discussed in the House.

Amendment to the Workmen's Compensation Acts, and the establishment of industrial refuges for female delinquents in some of the provinces, is also to be noted.

CARE OF THE FEEBLE MINDED

While there has been minor legislation in some of the provinces, providing for better accommodation for dependents of various classes, one of the most advanced actions has been taken by Manitoba by "The Mental Diseases Act." This Act is based on the findings of Dr. C. M. Hincks' Survey of Feeble Minded

in the Province in 1918. A psychopathic ward is established for the special treatment of the mentally diseased, while all the regulations and administration of institutions for "mental diseases" are revised in accordance with the most scientific principles.

BRITISH COLUMBIA INDIAN LANDS

After careful consideration of the findings of their Royal Commission on Indian Affairs, the Legislature of British Columbia has just passed an Indian Affairs Settlement Act. The Lieutenant-Governor-in-Council is given full power to give effect to the Report of the Commission, in order to bring about the "full and final adjustment and settlement of all differences between the said Governments respecting Indian Lands and Indian Affairs in the Province." To this end, the Lieutenant-Governor-in-Council may enter into all such agreements with either the Federal Government or the Indians, as shall be necessary to adjust all matters of dispute.

Given a carefully prepared report, with findings and recommendations attached, and granted *carte blanche* in realizing these recommendations, the British Columbia Government may be hoped to adjust successfully hitherto haphazard arrangements.

HOUSING

The Federal Government has made a grant of \$25,000,000 to be distributed as a loan payable in from 20 to 30 years, and to be used in the erection of workmen's homes. The provinces are entitled to apply for a loan upon acceptance of submitted plans for the use of the appropriation. They, in turn, may administer loans to building corporations (under limitation), municipalities, or individuals. Canada has determined to face and solve the question of suitable homes for her people.

CRIME IN CANADA

The criminal statistics for 1917, just published, indicate many interesting currents in the national life,—nearly all leading to a better social standard. The decrease in all adult crime is remarkable, and especially happy is the reduction in the number of female offenders, by 32.68 per cent. The increase of 14 per cent. in the number of juvenile delinquents is a cause for anxiety, but not so serious as might be thought by comparing the percentage alone. There has been an abnormal increase in juvenile delinquency, through the war years. Canada's increase has not been so great as that of the other nations. We must also remember, that the legislation affecting juvenile offenders has been made more effective in Canada in the last couple of years, and therefore what might seem an increase is merely the result of more adequate and accurate records.

In spite of all that has been heard to the contrary, the reports show a truly gratifying decrease in the charges of drunkenness—54.2 in the years 1913 to 1917.

Very suggestive are the figures dealing with social vice. There has been a decrease from 3,034 to 1,846 in charges brought against keepers of houses of ill-repute, and an increase from 1,403 to 2,700 in charges against frequenters. It is evident that strong legislation and strict enforcement is reducing the numbers of brothels, and making it increasingly possible to apprehend "Customers."

On the whole, a decrease of 9,780 for, in one year, all offences, would indicate a gratifying growth of law and order in the Dominion.

The Social Service Council of Canada, with which the Congregational Church is associated as one of the eighteen Dominion-wide bodies, is a federa-

tion consisting of twenty-nine units, eleven of which are provincial social service councils. The Council began its intensive work in July, 1918, under Dr. Shearer as General Secretary. In October the official magazine, "Social Welfare," made its initial appearance.

The Council assumes responsibility for law enforcement, legislation, and moral reform, which requires interdenominational co-operation for the greatest success.

The churches, on the other hand, carry on their institutional work and the intensive educational work among their members.

The Congregational Church appoints ten members to the Social Service Council of Canada, and contributes \$75.00 annually towards its budget.

Respectfully submitted,

CHARLES J COPP.

This Constitution may be altered or amended by a vote of two-thirds of the members present at any annual meeting of the Society, one day's notice having previously been given of the proposed amendment, in writing.

NOTICE.

It is becoming more than ever a practice among Christian people to recognize the Lord's portion in their Last Wills and Testaments, whereby, though they be dead, they speak and act in the furtherance of Missionary, Educational and Benevolent objects. American Congregationalists are among the most wise and generous in this day, and have left legacies of blessing for succeeding generations. Among the members of our Congregational churches in Canada there have also been those who have followed a likewise generous course.

For the guidance of those who may desire to make like bequests, the following legal form is subjoined. The amount bequeathed may be devoted specially to the Church Extension and Building Fund, in which case the income would only be used, or may be given for the general purposes of the Society.

FORM FOR A BEQUEST.

I give and bequeath to the Canada Congregational Missionary Society, incorporated by the Parliament of the Dominion of Canada, A.D. 1885, the sum of \$.....out of my estate, to be paid.....without any charge or deduction whatever, and I direct that the receipt of the Secretary and Treasurer of the Society shall constitute and be a sufficient discharge thereof.

SIXTY-SIXTH ANNUAL REPORT OF THE CANADA CONGREGATIONAL MISSIONARY SOCIETY, 1918-1919

We rejoice this year that we meet with victory secured, with peace almost signed, and with the many who went out from our churches coming home again. The home churches have carried on, but the return of their workers will bring relief to those who have been bearing the burden, and to us all the possibility of a great forward movement which will apply to the tasks of peace, the consecration of life and treasure so abundantly manifested in the days of war.

We hope that the Forward Movement of the United Churches will in our own Union enable us to give to all our ministers a living wage.

In the administration of the Home Missionary Society during the year there has been much encouragement and some difficulties.

The United Brethren Association has merged with the Western Association, and will turn over to us as a trust fund their Church Erection Fund of about a thousand dollars and make our Society the holder of reversionary rights to all their properties in the place of their Church Erection Fund. Their missionary grants and contributions will now be dealt with by our Society directly.

By an unusually large loan from our Society we were able to take advantage of a generous offer of the holder of the mortgage on the First Church, Victoria, and reduce the mortgage indebtedness almost in half, to an amount which gives the church a chance to live and hope.

Our Swedish work promises to be self-supporting in future, and so does our field at Naseby. On the other hand we have lost by removal three of the faithful workers in the Russo-German fields.

The federation of two of our aided churches, Economy with the Presbyterian Churches at Upper Economy and Five Islands, enables the charge to sustain a pastor with a salary of \$1,200.00 and house without missionary aid. The federation at Margaree with the Presbyterian Churches at Margaree Harbour and Big Intervale under our pastor will, with lessened grant, provide also \$1,200 and house, a much larger sum than our field alone could ever provide.

But the mention of these two federated churches make a starting point for the survey of our entire field beginning in the East. Rev. J. H. Sulston, our pastor at Margaree, has been engaged as pastor of the federated churches till May, 1920, and enjoys the enlarged work and salary. Economy made its federation arrangements for three years with the approval of the Maritime Union, and the federation will make a compact and happy field.

Across the Bay Mr. Tavener is having success in the South Maitland and Noel and Lower Selmah fields, and this year entertains the Maritime Union at Noel.

Kingsport lost in September last their pastor; have had supply during the winter, and for the summer have Student Jackson. They have been given permission for the sale of the parsonage in order that a better one may be bought or built.

The work at Pleasant River goes forward successfully under Rev. George W. Ball. St. John has been carrying on with some encouragement under good local supply.

Coming West to Quebec we find another federation, the Methodist Churches at Smith's Mills and Georgeville having come under the care of our pastor at Fitch Bay. This field has secured the return of its former pastor, Rev. R. W. Carr, and having improved the church building are now making

improvements to the parsonage. The federation here also very materially increases the salary.

Ayer's Cliff, under the care of Rev. Churchill Moore, has taken on the work at Brown's Hill, the Protestant population of the Boynton station having declined.

Union Coloured Church, Montreal, has had a hard winter with the flu epidemic, which all our churches have shared, also a rather annoying rivalry on the part of another coloured church, though the effects of this competition have gradually grown less, otherwise Rev. A. E. Gregory reports a good year. They worship, however, in a rented building, and could do very much better in a new building with social rooms.

Amherst Park had considerable friction during the early part of the year; was for some time under the care of a committee of the Montreal Council, but has now called Student Hughes to be pastor, and with renewed organization and loyalty shows promise of a better future. The Union Church at Ste. Anne de Bellevue has now called Rev. E. I. Hart, D.D., a Methodist minister. This church serves the students of McDonald College, and also the large military hospital recently opened at Ste. Anne's.

Coming now to Ontario. Kingston First has lost its pastor, Rev. T. DeC. Rayner having accepted a call to Watford. Kingston Calvary also lost Rev. Mr. Lyall, who moved to Alsask, Sask., but in the fall a good pastoral supply was obtained in Mr. Fred MacKenzie, son of our pastor, Rev. Geo. A. MacKenzie, at Stratford. The people seem in good heart, and appreciative of Mr. MacKenzie's services.

Barrie Church continues its hearty support of Rev. Wm. Hipkin, and Churchill is well supplied by a student.

Hamilton Immanuel has called its pastoral supply, Mr. F. Chorley, to give his whole time to the pastorate, and reports growth in both church and prayer meeting. Stratford has grown in every way under its former pastor, Rev. Geo. A. MacKenzie, now happily recalled, and there are negotiations for the joint support by Presbyterian, Methodist and Congregational Churches for the starting of a Union cause in an outlying part of the city.

For the last two months of the Society year the Churches of the United Brethren Association have come directly under our care. The aided churches are Kitchener, where Rev. Wm. Parker is in charge; Sherkston, where Rev. J. W. Newbery is pastor; Shelburne, with Rev. J. B. Bacchus as pastor, and the church at Listowel, now under student supply. The Gobles fields are at present vacant.

In the North West Brandon reports a good year under their supply, Rev. F. W. Westwood. Carleton Union, under our good friend, Dr. Ralph, is finding its circuit faced with steady buying of the farms by Doukhobors and French Catholics, and may soon have to make new plans. At Cando, under Student Holloway, the people of the Naseby Circuit have built a three-roomed parsonage at the rear of the church, and have been self-supporting for the greater part of the year.

Calgary First has suffered from removals, but continues with a hearty and harmonious spirit under Rev. P. V. Samson.

Vancouver First has gained under Rev. Mr. Cooke, who has done the work well in spite of the illness of his wife and his own poor health under the strain. The church, while still needing help with its interest, this year drops the application for salary grant.

Kitsilano has been under the pastorate of Rev. R. McKay since September, but has not yet gained as we had hoped, and negotiations for other arrangements are now under way. Grandview is growing, and applies for help in building additional Sunday School accommodation. Victoria we were able to help materially in reducing their mortgage from about twenty-two thousand to eleven thousand, and at a lower rate of interest. The church, vacant most of

the year, has just secured as its new pastor, Rev. W. D. Spence, who is now on the ground.

Swedish Work. The New Sweden Church, now under one pastor again with Lewisville, is self-supporting. Rev. G. A. Sanden has resigned his charge at Highland Park and Meeting Creek, to take effect July 1st, and the Secretary of the Highland Park Church says they hope soon to get a new pastor and be self supporting.

Russo-German Work. After years of unbroken service we this year lose three of the pastors, who through ill health have had to move across the line to churches in milder climates.

In Calgary Rev. H. J. Dietrich had a nervous breakdown, and has resigned. The church during most of the year has been open for one service a day and Sunday School, but the activities were greatly cramped by the censorship laws. Rev. F. G. Anhorn has just left the Mayton and Beiseker fields, but to these has been added a new church at Thresher, Alta.

Rev. Richard Otto, with his two fields near Hanna, has opened a third field. Rev. H. Treise has now charge of the new church at Irvine, Alta., and Schuler and Forres. Rev. G. J. Rieker is busy with Leader and Westerham, and has many calls to outside points where a church of our polity would be appreciated if we only had a supply of good ministers. The Walsh and Maple Creek fields are now without a pastor, as Rev. Mr. Bernstein, shaken by his terrible experience of sixteen hours in a blizzard, has had to move to Los Angeles, Cal. A new pastor will be sought for this field.

A new pastor has been now secured for Calgary, and Rev. John D. Gross has been appointed in the place of Mr. Dietrich to do the work of a General Missionary. He will minister to the churches without pastors and to the other scattered communities calling for help. Mr. Gross is very highly commended by our home missionary officials in the States. It is not certain yet whether he will make his headquarters in Calgary or Edmonton.

THE GEORGE ROBERTSON EVANGELISTIC FUND

This fund has, during the year, supported evangelistic meetings at Kitcheener and Freeport with happy results to those churches. We also used the fund in helping the General Fund meet an urgent call for needed help in the West.

It is our hope that in the coming Forward Movement large use of Evangelistic methods, whether by special services or one by one personal evangelism, will be part of the Movement in our churches, and we will be glad to help all our churches in this matter.

THE CHURCH EXTENSION AND BUILDING FUND

This Fund has again been of great service in aiding churches in the West, which without the aid would have had to succumb. We paid interest on the mortgage of the First Church, Vancouver; we largely reduced the mortgage on First Victoria, and we have helped Calgary First and Kitsilano.

Concerning property in our care. Toronto Zion is well rented, and has been put in good repair. Ottawa South is rented for a year. Woodstock Church has been rented for the summer. All three are being used for religious services. Knox, Vancouver, is still rented to the Longshoremen's auxiliary. The Wetaskiwin farm and the Belwood lot are not yet sold.

Our thanks are due as ever to the Colonial Missionary Society for its continued help, and to our Woman's Board for their constant and varied help.

In the midst of the unrest and change of these days there can be no greater help to our land than the quiet and steady proclaiming of the Gospel of Jesus Christ, which alone can guide us through the unknown ways to the

unfolding of His Kingdom. We record therefore our gratitude to the home missionaries who are working at the redemption of individuals and the up-building of the Kingdom in lonely places, and we thank also those in our churches whose gifts have made all this work possible.

On behalf of the Executive, respectfully submitted,

WILLIAM T. GUNN,
Secretary.

REPORT OF THE EDUCATIONAL SECRETARY FOR 1918-19

In giving this report it might be more interesting and instructive to report the things we have failed to do, but inasmuch as this might not reflect credit upon the Educational Secretary, I shall content myself with stating in brief the work of the department for the year. This has consisted almost entirely in the preparation of missionary literature for the churches and Sunday Schools.

Early in February a pamphlet, "Laying the Foundations of Canada," was prepared, and ten thousand copies, together with ten thousand envelopes, were sent to the churches. At the same time letters were sent to pastors and secretaries urging the churches to use the literature, and to observe the special Home Missionary Sunday on March 16th.

In March a missionary programme for use in our Sunday Schools was prepared, and eight thousand copies, together with the envelopes, were sent out. We are indebted to the Rev. G. Ellery Read for assistance in the preparation of this Sunday School programme.

Some of the schools wrote again for mite boxes, and these were supplied from stock on hand from last year.

In all, some thirty-six thousand pieces of printed matter and three hundred letters, have been sent out in an effort to bring our work and its needs to the attention of the churches and Sunday Schools.

The work of Missionary Education would be greatly simplified if we had in every church one or two young people who were really enthusiastic about our work. In this connection I would like to call attention to the Summer Conferences at Kingston, Whitby, Knowlton, and other places, and urge our churches to make a special effort to send delegates. One or two young people in every church imbued with the missionary spirit would make for a new era in missionary effort both home and foreign.

We still have a number of copies of "His Dominion" left from the first edition. Orders may be sent to the Educational Secretary. Copies of Dr. Gunn's book for juniors, "Talks on the Land of the Maple," may be had from the Woman's Board.

REV. E. LeROY RICE, B.A.,
Rock Island, Que.

REPORT OF MISSION TO IMMIGRANTS AND RETURNING SOLDIERS

The arrangements which have been in force for some time whereby Rev. Dr. Farquharson represents the Baptist, Congregational, Methodist and Presbyterian Churches at the Port of Quebec were continued during the year.

As would naturally be expected immigration reached almost its lowest possible point, as the following figures showing number of notices sent to the several churches reveal. Presbyterian, 70; Methodist, 54; Baptist, 16; Congregational, 5.

With the signing of the armistice the flow of returning men became full and uninterrupted, and the report of the chaplain's work for the year 1918 shows that home addresses and church affiliation were secured from 4,645 Presbyterians, 2,571 Methodists, 826 Baptists, and 136 Congregationalists.

Dr. Farquharson has continued to arrange for religious services on Sundays whenever this has been possible, and also has visited regularly the Sanatorium at Lake Edward, as well as giving attention to the sick men in the Quebec hospitals.

Under the direction of a local interdenominational committee at Quebec the work will be continued as at present until circumstances show cause for doing otherwise.

Respectfully submitted,

FRANK J. DAY,

Hon. Supt. of Immigration.

THE THIRTY-EIGHTH ANNUAL REPORT OF THE CANADA CON- GREGATIONAL FOREIGN MISSIONARY SOCIETY, BEING THE REPORT FOR THE YEAR ENDING MAY 31, 1919.

It is a pleasure to present this 38th Annual Report of the Directors in the Hamilton Church where Dr. Currie was ordained as our first missionary 34 years ago.

It is no formality that leads us to begin our Report with gratitude that Christ has been able to use our churches and missionaries for a real advance toward making Angola a corner of the City of God set up on the earth. The stations were undermanned and the missionaries greatly overworked, but the wise and careful beginning is bearing fruit.

We wish the contributing members of the Society could see what is being done in Chisamba and Dondi as we do, who have the privilege of correspondence and direction. Thirty-nine years ago the first missionaries from the American Board, commissioners for foreign missions, landed at Benguella. Thirty-three years ago Dr. Currie landed, and three years later decided upon Chisamba as our station, and began work there. On May 20th, 1894, the first church was organized with eleven members. Our latest full report from them dated a year ago gives this wonderful fruitage: 39 outstations around Chisamba, 364 church members, 51 added during the year, 200 catechumens, 1,358 pupils in the out-station primary schools, 315 in the station boarding schools, \$228.00 received in school fees.

The mission as a whole, American and Canadian, has reduced the language to scientific form, with a grammar just being printed. Many parts of the Bible are translated and printed, and they are now engaged on a translation in final form. A Bible Dictionary is being prepared under Mr. Tucker's direction.

The brightest pupils from the station schools are sent up to the Currie Institute, to be prepared for teachers and pastors, and the girls' boarding school at Dondi is doing a similar work for the women. The graduates will soon be going out and taking responsible positions to hold alone. There is a feeling throughout the Mission that they are on the eve of a great forward movement with a rich harvest if we will give them the overseers and instructors they need.

PRAYER

This growth has been in answer to the genuine and constant prayer that has risen from the family altars and in hours of public worship. Our "Prayer Union" has helped to keep this rising. "Over there" they have felt it, and "over here" we have also. That generous unnamed soul that is supporting Mr. Steed was led into it by carrying out the spirit of the "Prayer Union." Let us pray yet more for conversions, perseverance of the converts, for patience, friendly co-operation and wisdom for the missionaries, for new men and women, for some to go at their own expense, and for larger financial gifts. The

expansion, the growth in prestige, the preparation of a native ministry, and the present wide-spread hunger for education and Gospel preaching, is the opening of the windows of heaven and pouring out upon the missionaries a blessing of such richness that literally they are not able to use it all. This ought to put the churches on their mettle to "carry on." We must not get work weary and grant an armistice to the opposition, and rest on our guns. If we help our overseas contingent to follow up the advantage they have gained we can soon write one of the finest chapters of missionary history.

CHISAMBA

The beginning and substance of our mission is teaching and living the Gospel message. For this work our station has been sadly undermanned since Mr. and Mrs. Tucker went to Dondi. The Misses Melville, on duty since 1893; Miss Bell, Mr. and Mrs. Catell, have been trying to hold the fort without an evangelist and with no doctor for two years. And it will be a few months yet before Mr. Steed and Dr. Hall reach there, owing to the vote of the Mission itself that recruits must have six months language study in Portugal. Dr. Hall has had some. We thank the heroic defenders and workers for their patience, and admire the results they have achieved. Mr. Catell has had to be preacher, for which he has felt inadequate, to teach industry, to build schools, drain marshes, and be a judge and counsellor for everybody, with the valued help of the ladies, whose main work is teaching.

There are six central meeting places every morning, and 50 villages are reached by the Christian men in the afternoons. There are two regular Sunday schools with an average of 500 scholars in each school.

The Allan and David Gunn Memorial Dormitory has been partially completed. Fourteen rooms were ready a year ago, and 80 boys are occupying them. This dormitory has cost more than the first estimate. \$1,100.00 has been spent, and it will take nearly \$500.00 more. High war prices has been partly responsible.

The Africans are fond of music and sing well. Three cornets are in use at the station. Kangende, Mrs. Currie's cook of other days, can play most of the hymns. A year ago Mr. and Mrs. Catell trained a choir of mixed voices, and, in addition to other simpler things, trained them to sing the beautiful Haydn chorus, "The heavens are telling."

In all they have nearly 1,700 pupils, of whom 315 are in the Chisamba Station School, hoping to be chosen for Currie Institute or the Girls' High School. Fifty of these are girls in the Boarding School, and the expenditure for them was only \$50.00. Mr. Catell has had charge of the boys' schools in addition to his industrial and preaching work. These boys have helped in building, teaching, farming and ditching.

EVANGELISTIC WORK

They observed the first week of the year 1919 as a week of prayer. Two meetings were held each day, with an average attendance of 500. They had as a special preacher Mr. Murrain from the Brethren Mission not far away, and his messages were most valuable. Think of it, you who grudge a dollar a year to help those busy workers! Within a few years of heathenism, and surrounded by it now, 500 black men and women will gather day after day to hear preaching. The testimony to the character of those converts is high. They leave their drinking and gambling. They leave their witchcraft. The chiefs give up polygamy, and some of these converts are slaves who have been brought from further inland. Frequently they return to their homes. One missionary from that inland country worked ten years, making little headway, struggling to learn the language and reduce it to written form. One day three families came in from Chisamba, returning to their home Christian people. The missionary took new courage and saw an answer to his prayers. Converts be-

gan to come in. He pays a fine tribute to the character of these new comers.

During the year the land belonging to Chisamba has been surveyed and legally staked out, making 960 hectares, or about 2,400 acres. 100 acres of this is rich land suitable for wheat, when they have had time to drain it.

The missionaries speak highly of Chikose, the chief who succeeded the godly Kanjundu. He is a worthy successor, and has an extended influence throughout the country.

Considerable new building must be done, and repairing of the first buildings, which were of wood and thatch. Most of the new building is built with properly made brick, and with tile roof. This is a vast improvement as an antidote to the white ants that do a great injury to wooden buildings. We cannot speak too highly of the work Mr. Catell has done. It is a marvel what he has been able to do. He has more than earned the furlough that he will take next year. His wife has been a most valuable helper. It has been hard for them to have no doctor at the station.

INDUSTRIAL WORK

We have the best built station of the Mission. Four large buildings have been put up with tiled roofs. No windows or doors were imported, but all made on the spot. A large number of doors and window sashes were supplied for Dondi, as well as school desks. Doors and window sashes have been made for all other stations. 40,000 roofing tiles have been made, and some for floors. They have drained and put under cultivation a large amount of land that was formerly a marsh, and new roads have been built.

DONDI.

The staff at Dondi consists of Principal Tucker, who has to teach about twice what a Canadian teacher would consider himself able to cover; Mrs. Tucker, who in addition to household cares, teaches music and drawing; Mr. Bell, who teaches the technical side of shop work, having in mind the mental training of accurate observation, exactness, method and saving of labor, besides overseeing the actual work of building, draining, and agriculture, and also acting as treasurer. Miss Bell teaches tailoring and oversees the catering and care of the dormitories. Now they have an addition to their staff by the appointment of Mr. Sydney Dart and wife, who have had experience in mission work on the East Coast, and will be a great addition to the industrial department. The Bells and Darts are supported by the American Board.

We record our hearty thanks to Captain Dollar of California, a cousin of Miss Melville, for the gift of an electrical outfit and water wheel for the Currie Institute at an expense of more than \$1,700.00.

In the matter of discipline, there is a students' council of older boys who deal with petty troubles and conduct.

On Sunday the pupils go out by two's into the villages and hold meetings. This is a most valuable part of the life, for the purpose of the school is to prepare leaders and preachers, and it is well to mix the evangelizing work with the study. But it adds very seriously to the care of the missionaries. In fact they cannot keep up with it. They sadly need an evangelist missionary who will give his time to organizing the work, talking with the boys on their return, and following up their work by visits among the villages. There is not only a golden opportunity for this man, but a crying need for him, if we are to harvest the seed we sow.

Beside this man they greatly need a man to share the teaching with Mr. Tucker, a man who has had experience in teaching and has studied the art of pedagogy.

They have established an evangelists' summer school. Last year 36 teachers and preachers came together for a month and had Bible study courses. But the personal fellowship and informal conferences were almost the most valuable

MISS ELIZABETH S. MacKENZIE.
Missionary of the C.C.W.B.M., West Africa.

factor in the month. During the year the Governor of the Province visited the Institute and expressed the highest interest in the work, promised to come again, and wrote words of praise when he returned to his home.

ANNUAL MEETING OF THE MISSION

A new departure of recent years in the whole mission is proving very interesting and valuable. The annual meeting, when delegates from each station come together to study finances, to advise one another, to plan Christian literature, and prepare the united report and budget, used to be entirely a meeting of missionaries. Now they have a general picnic and summer school. Fully 1,000 come together. There are special conferences for women, for men, for church officers, etc. The most practical questions of Christian living and church and school management are discussed.

RECRUITS

It is a disappointment not to be able to report our new families on the field, but various obstacles and preparation work have prevented. The Steeds are in England on the way to Lisbon, where they must study Portuguese for at least six months. Dr. Hall is already in Portugal for the same purpose. We tried to get him started last October, but international relations prevented. On September 19th he was married to Miss Belhavis.

Miss Elizabeth Read sailed away in early December to represent the Woman's Board, but she was delayed a long time at Cape Town. It is a joy to us that Mrs. Currie has been moved to return to her work in Africa, and also that our Woman's Board has had the courage and faith to assume her support. Another unknown donor has promised to pay her salary if the Board carries her there. Our Society had been giving her an allowance of \$250.00 up to the end of December. We continued this until she sailed away a month ago. She may be assigned to the girls' boarding school at Dondi. That will be decided by the missionaries. Mr. and Mrs. Tucker have reached home for their first furlough, which is a year overdue. Miss Maggie Melville is also on her way home, and Miss Helen Melville, after a year's furlough, expects to return this autumn to Africa. Mr. and Mrs. Catell will come home for their needed furlough next spring.

Your Committee has for some time been studying the question of a retiring fund for our missionaries, and has decided that no better way is open than having them insured in the Provident Fund. That Society has already modified its constitution so as to make it possible for all the foreign missionaries to secure its advantages, whether ordained or unordained, male or female. We have applied to have all the missionaries of this Society accepted and offer to keep premiums paid.

The tours made among our churches by Mr. Steed and Miss Melville have been fruitful in three ways. They have made the members feel a warmer personal relation to the mission; they have called out several personal offers for personal service from young women, and many personal financial gifts.

There is a danger besetting these missionary visits, alongside the good. It leaves some churches feeling they cannot get any subscriptions unless they have such an incentive. The contributions to home and foreign missions and College should be like our three meals a day, as regular and as adequate.

(Signed) E. MUNSON HILL,
President.

REPORT OF SUPERINTENDENT OF PRAYER UNION

Some one has said there is "no substitute for prayer." Prayer in the past, prayer now, prayer in the future, is and will be the dynamic of our power.

Do we believe in God to the uttermost? If so we shall pray, and praying we shall cultivate the prayer life. The real cultivating will come in real praying.

Your superintendent has tried to enlist members and friends of our Congregational churches in the service of prayer for our missions in Chisamba and West Central Africa.

Through personal effort and assisted by friends, ninety-six members have been secured for the prayer Union this year.

The new members are to be found in the following places: Edgar, Rugby, Dalston, Pine Grove, Toronto, Cobourg, Brampton, Wingham, Windsor, London, Stratford, Kitchener, Forest, Montreal, Auckland, New Zealand, and Smyrna, Turkey. There were 377 cards issued of the first supply and 80 of the second.

A fee of ten cents is asked for to defray expense of cards, and I have on hand nine dollars and sixty cents.

That the department has been worth while has been shown by the increased gifts and in some cases by an extra large gift, as is seen in the gift of the lady who donates the money for the support of Mr. Steed. In the early days of the Prayer Union a membership card was given to her, and from time to time missionary literature was sent. The card became soiled and worn out, and she asked for a new one, which was framed and presented to her. The results are also seen in the gift of the "Fairy Godmother," as she is called by the C.C.W.B.M., for the support of Mrs. Currie. Another result is seen in the patience and wisdom which our missionaries have shown, who are often overworked and always needing more workers in the field. Then we have the loyalty of the native converts and the real expansion and remarkable desire of the native for education and the "words."

"So called to fellowship with Christ in making known His Gospel to all the world, we promise to pray for the work of the West Central African Mission that all who hear the Gospel there may be truly and speedily converted."

We need more missionaries, more money, leaders in the work at home, in churches, and among the young, but above all we need the continual guidance of the Holy Spirit in our work.

The promises of God are sure. It is worth while to pray, worth while for those for whom we pray, but best of all worth while to God, who says, "Beloved I am the Lord, the God of all flesh, is there anything too hard for me." Jer. 32: 27.

"Whatsoever we ask we receive of Him because we keep His commandments and do those things that are pleasing in His sight." 1 John 3: 12.

Respectfully submitted,

FLORENCE RAWLINGS.

REPORT OF THE TREASURER OF THE CANADA CONGREGATIONAL
FOREIGN MISSIONARY SOCIETY FOR THE YEAR ENDING
MAY 31st, 1919

In reviewing the financial statement for the year just closed our first thought must surely be one of praise and thankfulness to the great Lord of the Harvest. It is very gratifying to know that not only during the past year, but also through all the trying years of the war, under the strain of which so many institutions and organizations broke down, we have never had to curtail any of

our work. Not only has the income of the Society been well maintained, but we have even been enabled to answer—to some extent at least—the call for reinforcements, and the ordained missionary and the doctor, who were so badly needed, are now on their way to Africa to relieve the little band of missionaries who have been holding the fort so long and so faithfully. For this and other blessings let the note of praise be the dominant feature of our report to-day.

The first section of the financial statement deals with the General Fund. It will be seen that we started the year with a cash balance of \$2,334. To this are added the contributions for the year of \$7,021 together with two legacies—\$500 each—one from the estate of the late H. P. Wales of Richmond, Quebec, and the other left to the Society by the late Miss A. P. Moodie of Montreal. This makes a total on the credit side of \$10,356.

The first item on the other side of the account is \$2,625, paid to the American Board. You are aware that all our financial and business operations are carried on through the American Board, that we are a branch of that great missionary organization. As a matter of fact this \$2,625 was not actually remitted to the American Board, but was paid direct to, or on account of, our missionaries, and the Board has credited us with the amount. This was done in order to effect a saving of about \$75 in exchange, New York funds having hovered around 3 per cent. premium all the year. The next items are for travelling expenses amounting to \$540, made up almost entirely, it will be noticed, of the bringing of our new missionaries to last year's Annual Meeting, and of Mr. Steed's tour of the churches. Then follow printing accounts with the usual grant of \$200.00 to the Publishing Committee, and all the other printing accounts, amounting in all to \$382.00. After this follow the usual grants and the necessary home expenses, together with the transfer of \$1,000, which is made every year to the Furlough Fund. To have a balance of \$4,882 on hand is a circumstance which has been forced upon us by reason of the adverse exchange conditions. Had New York exchange been anywhere near par the most, if not all, of this amount would have been remitted to the American Board, for at the present time we owe them \$2,391 plus salaries and station expenses for the last six months of 1918 (which we have not yet been charged with), besides the accrued expenses for the present year. This explanation is made lest anyone should get the idea that the Society has "money to burn."

Let us now pass to the second part of the printed report containing the Designated Fund statement. A balance of \$22.00 belonging to the Furlough Fund was carried forward, to which we add contributions for the year of \$1,188, income from the Hine and Freeland Trusts for the support of boys, \$629 and \$333 respectively, together with the \$1,000 already referred to transferred to the Furlough Fund, the whole totalling \$3,174. Of this amount \$1,579 has been remitted for special objects in connection with our own work, as will be seen, while \$512 was designated and forwarded for outside objects, as per the printed statement. The balance on hand of \$1,082 is made up of \$1,022, furlough money and \$60 contributed by the young people of Bloomingtondale and West Montrose for an organ for the Currie Institute.

The next part of the printed statement is devoted to the Currie Institute or Dondi Fund. At the commencement of the year we had on hand \$5,708. During the year contributions amounting to \$5,737 have been received, together with a legacy of \$1,000 from the late Miss A. P. Moodie, who also, as we have seen, left \$500 for our regular work. This makes a total of \$12,446. \$56 has been used for home expenses, and \$3,550 invested in War Bonds. \$550 of this came to us in the form of War Bonds. The balance on hand in the Institute account is \$8,839. To remit this now would cost us between \$250 and \$300, so it is considered wise by your Committee to await a more favorable rate of exchange. A full statement of the Institute Fund is as follows:

Remitted prior to the Campaign	\$11,234 00
Remitted out of Campaign receipts	7,500 00
Scholes Legacy investment	3,940 00
Investment in War Bonds	3,550 00
Cash on hand	8,839 54
Total	\$35,063 54

I want to call attention to the remarkable giving of one little church, namely, Maxville. In three years this church has given \$1,694.89 in cash for the Institute Fund. Let every church look at this and then go and do likewise.

Following this is a list of our invested funds, which will be found of interest, and then at the foot of the sheet is a statement of the contributions by Associations and a comparison with the previous year. It is very satisfactory to notice that for the General Fund there is an increase all along the line, and an increase in every Association is also shown in the Designated account.

And now leaving this statement let us look at the amounts given by individual churches. It is very fitting that the Union should be held in the First Church, Hamilton, because this Church heads the list of givers with \$1,054.74. I mention the cents because little Maxville is neck and neck with Hamilton, being only 8 cents behind, \$1,054.66. Well done, Maxville! Close upon the heels of these two leaders come Bond Street, Toronto, with \$1,031.00, and Broadview, Toronto, with \$1,022.00. Emmanuel, Montreal, has usually taken first place, but this year Emmanuel slips down to fifth with \$958.00, followed close by Zion, Montreal, \$858.00. We may well ask if Zion without a minister gives this amount what would she give if she had a minister? Then follows Northern, Toronto, \$636.00; Scotland, \$476.00; First, Ottawa, \$379.00; Montreal, Calvary, \$328.00; Granby, \$293.00; Olivet, Toronto, \$254.00; Stratford, \$249.00; Cobourg, \$222.00; Waterville, \$191.00; Forest, Central and Sherbrooke, \$175.00 each (Forest leading by 21 cents); Western, Toronto, \$139.00; Bloomingdale, \$136.00; Crescent, Winnipeg, \$130.00; Brantford, \$125.00; West Montrose, \$117.00; and Vancouver, First, \$100.00.

It is impossible with so many of our missionaries coming and going to make up a budget which will even approximate our expenses during the next year. It is quite evident, however, that with all the travelling, outfitting, and the other extraordinary obligations ahead of us, it will be necessary for every church to buckle to and do its utmost. And are we going to be satisfied with merely holding our own? Our great leader is calling us to go forward and to enter new fields which are ripe already to the harvest. Let us dare to say "yes" to God.

Respectfully submitted,

H. W. BARKER,
Treasurer.

TO THE MEMBERS OF THE CORPORATION OF THE CONGREGATIONAL COLLEGE OF CANADA

Gentlemen:

The Board of Governors has pleasure in presenting its annual report for the year 1918-1919.

This report includes those of the Senate, the Librarian, the House Committee, and the Treasurer.

The invitation to Rev. Principal Ritchie, D.D., of Nottingham, England, to accept the Principalship was kept open and was renewed in person by Rev. Frank J. Day, D.D., he being specially authorized by the Board to do so. Dr. Day reports favourable prospects.

Rev. Hugh Pedley, D.D., who, with marked acceptability, has acted as special lecturer in Homiletics to the students of the co-operating colleges, has been re-appointed as special lecturer for the coming season.

Rev. Prof. Greaves, of Victoria College, Toronto (a member of Northern Congregational Church), was appointed representative of the College to the Theological faculty of the Khaki University. This arrangement was concluded with the gracious concurrence of Chancellor Bowles, representing Victoria College, and with the hearty approval of the Joint Board of co-operating colleges.

The property accruing through the legacy of the estate of the late George Smart has been finally sub-divided with a view to equitable apportionment.

The colleges, therefore, will come into possession of considerable land, which, while now revenue-producing at the moment, is of substantial value. The Board will give careful thought to the matter of realization upon it.

The valuers have assessed each share at approximately twenty-one thousand eight hundred dollars (\$21,800.00).

The Board regrets, with a deep sense of loss in both a personal and denominational way, the death of the late Henry O'Hara, whose memory will ever remain a happy and stimulating one to those who appreciate wholesomeness and loyalty of character.

The Governors who retire at this meeting are: Messrs. W. D. Lighthall, Thos. Moozie, and T. B. Caldwell.

The Board, in reviewing the college situation, took appreciative recognition of the valuable and markedly unselfish nature of the services as acting-Principal, of Rev. Dr. Warriner. It was deeply gratifying to each member of the Board, from both the personal and official standpoint, that he passed through the crisis of a serious operation so successfully. His long and faithful services as a Christian and educational leader, and the charm of his character, assures him of a particularly warm place in the affection and respect of his co-workers and friends for all time.

ALEX. MCA. MURPHY,

Hon. Secretary.

REPORT OF THE SEVENTY-NINTH SESSION, 1918-19

To the Board of Governors:

Gentlemen:—The past session was the fifth under the strain of a great war. In these circumstances it might be expected that we should not have much of an encouraging nature to report; nevertheless, and in spite of the fact that the epidemic of influenza closed our classes for five weeks at the very beginning of the session, the work has not only been carried on with a fair degree of success, but the session has been marked by conspicuous features of adaptation and progress.

During the period when classes were closed some of the students returned home, others went to the churches over which they had the oversight, while others spent the time in private study in the regular or special departments of the course.

The Khaki Theological College, the Joint Board of the Theological Colleges of Montreal, having been requested by the authorities of the Khaki University for Canadian soldiers overseas, to draw up a curriculum of Theological studies and conduct classes therein, the professors of these colleges devoted the time in which no classes were held to this work. A provisional curriculum was prepared and printed, copies were sent to the various theological colleges of Canada, and their approval of the scheme secured. The Diocesan, Presbyterian and Wesleyan Colleges each set free a member of their respective staffs for this overseas work, while Professor W. H. Greaves, of Victoria University, and a member of our Northern Church, Toronto, was secured to represent us.

The Khaki Theological College was organized and located at Ripon in Yorkshire. By the end of April there were 70 students attending classes in theology, representing seven denominations and every province of Canada. In addition, some 50 or 60 occasional students were taking advantage of the classes offered in voice culture and public speaking.

The Khaki College, designed specially to meet the needs of men during the period of demobilization, is really an extension of our own Canadian work, and we may justly feel proud that we have had so large a share in it.

ENROLLMENT OF STUDENTS

The fact that for more than four years the young life of our country has been drained for military service, has almost completely cut off the supply of candidates for the ministry, while of those who had already entered upon their studies, the great majority relinquished these for service on the battlefield. One hundred and twenty-three students of the four theological colleges were engaged in the fight. Of these our College contributed 14.

Two new students were admitted last fall, viz., Mr. Dale Hendry Moore, and Mr. Ralph Collins. Two others returned at the conclusion of the armistice, viz., A. K. McMinn and G. F. Kelly.

Eight students in all were in attendance upon the classes, 3 in the final year and 3 in the middle year Theology, 1 in the preparatory department and 1 in the first year Arts.

ROLL OF MILITARY SERVICE

The following is the roll of men engaged in military service, with the year in which they enlisted and the rank which they attained.

1914:

Sergt. Norman Jackson.
Pte. A. K. McMinn.
Corpl. G. F. Kelly.

1918:

Hon. Capt. J. A. Steed, M.A., B.D.

In the above roll the sorrowful fact is noted that at least two of our men have paid the supreme sacrifice, and of the third, who has been missing since August of last year, we have only a faint hope that he may, after all, have escaped death. We include Lieut. Robert Fairgrieve in this list, for he had been with us through his entire preparatory and Arts course, as well as part of his Theological course, and although he had withdrawn from the College for a year, and was a student of another institution, we know that it was his intention to return. We feel sure that it would be the wish of his fellow-students, as well as his professors, that his name should be enrolled among our number.

We grieve for the loss which the Church has sustained by the death of these men, but we rejoice that our students are men of consecration and courage, and not unmindful of their country's call.

The Senate has appointed a committee to take into consideration the erection of a suitable tablet in honor of all those who served in the war.

DEPARTMENT OF HOMILETICS

By arrangement with the other co-operating colleges, the Board of this College assumed responsibility for the department of Homiletics, and for the last three sessions has engaged special lecturers. Our own Dr. H. Pedley has had charge of this work during the past session. The Faculty and Senate rejoice that he has been appointed to the professorship of this important department. No better appointment could possibly be made.

DEPARTMENT OF SOCIAL SERVICE

The University of McGill, with the financial co-operation of the Joint Board, has established a Department of Social Service under the charge of an experienced and competent director. The Joint Faculty is also represented by two of its members on the committee having the oversight of this department. The work is practical as well as theoretical. In addition to attending lectures on the principles of sociology, students are guided in making personal investigations into the conditions and needs of various classes in the community, and the operation of the various societies organized to meet those needs. Montreal affords special opportunities for research work of this kind. Our own College, in securing the services of such men as Mr. Woodsworth, of Winnipeg, and Mr. Bradford, Community Y.M.C.A. Secretary, has been a pioneer in such work as this. It is pleasing to find that this department of social training, so necessary for the minister, has at last found a fitting place in the curriculum of the university.

And while the needs of the city have been considered, the importance of the rural community has not been lost sight of. The city depends, for the renewing of its life, on the country. The country parish is one of very great importance. It also has its own problems. To help our rural pastors to make the most of their opportunities the four colleges co-operated with Macdonald College in conducting a Summer School from the 5th to the 16th August last. This school was attended by about 60 rural pastors and was greatly appreciated. Arrangements have now been completed for the holding of another, and, if possible, a better session this coming summer.

CONVOCATION

The Convocation was held in Emmanuel Church on Friday, April 25th, when the following awards were made: To Mr. J. E. Lloyd of the middle year the Maria Sawtell Memorial Scholarship, and to Mr. A. K. McMinn, of the same year, a Robert Anderson Bursary. A Robert Anderson Bursary was awarded Mr. G. H. Knighton and Mr. E. D. Hughes of the senior year.

The graduates were G. H. Knighton, E. D. Hughes, and R. D. Tannahill, B.A.

The Calvary Church Medal was won by Mr. Knighton. The Stevenson Memorial Medal was not awarded.

The degree of Bachelor of Sacred Theology was conferred on R. D. Tannahill, B.A., and the degree of Doctor of Divinity *honoris causa* on the Rev. Jacob Whitman Cox, B.A., of Sheffield, New Brunswick, and on the Rev. James T. Daley, B.A., of Cobourg.

The Rev. George Adam, pastor of Emmanuel Church, gave the address of the evening on "The Preacher's Fidelity to the Divine Message." "Thou shalt speak my words unto them whether they will hear or whether they will forbear."

OUTLOOK

For the last two sessions the military authorities have used the Presbyterian College as a hospital, and their students have found a home with our

men. This has been a happy arrangement both for them and for ourselves. Dr. Gordon, Professor in the Old Testament Department of the Presbyterian College, also made his home with our students during the winter. The Acting Principal gratefully acknowledges his kindness in taking charge of the morning hour of devotions during the two mid-winter months. Next winter they will be back in their own College building. We shall miss them, but we hope that our own men, returning from overseas, together with new students, will once more make the College bright with young life. Two new students for next session have already been admitted, namely, Mr. Cecil Humphrey Whitmore, son of the Rev. H. D'Arcy Whitmore of Maxville, and Mr. Charles H. Este, of the Union Church, Montreal. It is anticipated that others, held back for various reasons during the war, will now be free to devote themselves to preparation for Christian service. But the expectation which was cherished by some, that numbers of soldiers who had not previously thought of entering the ministry, would now devote themselves to some specific form of Christian service, seems doomed to disappointment. We must still look to the young men of our churches, of our Sunday Schools, and our Christian homes.

We would earnestly appeal to our pastors to diligently look out for promising youths, and set before them the claims and opportunities of the Christian ministry, which were never greater than they are to-day.

Respectfully submitted,
W. HENRY WARRINER.

LIBRARIAN'S REPORT

The Library has continued its silent though most helpful service, both for our own students and for the Presbyterians resident in the College. Twenty-seven new volumes have been added, of which twenty-five were by purchase and two the gift of their authors.

The Librarian gratefully acknowledges the assistance of Mr. E. D. Hughes, a member of the graduating class, whose constant care relieved him of any anxiety.

The financial statement for the year ending May 31st, 1919, is as follows:

TREASURER'S REPORT

The Treasurer has much pleasure in reporting that the deficit in Revenue Account that has been carried for so long is now wiped out, leaving a balance on the right side of the account.

The receipts from the Churches was \$488.00 less than last year, and the number of contributing Churches twenty-three less. All the Associations show a decrease in number and amount.

Last year we paid off the balance of an old debt of many years' standing amounting to \$1,535.00; this year we had no such payment to make.

The total apportionments for the College on the Churches was \$3,075.00, and total receipts from the Churches \$1,289.46—just 42 per cent.

The three largest amounts from Ontario were: Toronto Northern, \$80; Hamilton 1st, \$62.30; Lanark, \$58.

In Quebec, Montreal—Emmanuel, \$358.88; Calvary, \$137.47; Zion, \$85.00; Granby, \$82.00.

We have also to thank Mrs. S. H. C. Miner for continuing her contribution of \$1,800.00.

On behalf of the Trustees' Endowment Fund I have to report a legacy duly paid of \$1,000.00 from the late Miss Annie Paterson Moodie.

A new mortgage of \$3,500.00 at 7 per cent. has been made, and one share Bank of Montreal stock at \$187.50 was taken.

The statements, duly audited by Mr. Frank G. Ellis, Accountant, are herewith presented.

THOS. MOODIE,

Treasurer.

TO THE BOARD OF GOVERNORS OF THE CONGREGATIONAL
COLLEGE OF CANADA

Gentlemen,—

The House Committee has pleasure in reporting that the property is in as satisfactory condition as may be reasonably expected.

The Steward and Stewardess had resigned early in the session, but were prevailed upon to continue. Their work and their personal characteristics have been pleasingly satisfactory as usual.

The students of the Presbyterian College were afforded residence along with our own during the session by reason of the Presbyterian College having been commissioned by the Government for Hospital work. The arrangement proved a very happy one all round.

CHAS. GURD,
Convener.

THE CONGREGATIONAL UNION OF NOVA SCOTIA AND NEW BRUNSWICK

Chairman—Rev. F. G. Purnell, Brooklyn.

Secretary—Rev. E. J. Thompson, Keswick Ridge.

Assistant Secretary—Rev. J. H. Sulston, N.-E. Margaree.

Treasurer—Mr. J. W. Flewelling, St. John.

Union Committee—The officers with Revs. C. Tavener, G. W. Ball, Capt. Doty, G. Anthony, Cedric Flewelling, A. M. Anthony, F. Anthony, C. Durning, Martin O'Brien, Alex. Godfrey, B. Pickard.

The 72nd Annual Meeting of the Congregational Union of Nova Scotia and New Brunswick met at Noel on Thursday, July 3rd. A praise meeting was led by the Chairman at 10 o'clock, and the Union was called to order at 10.15 a.m.

After the adoption of the minutes and report of Programme Committee, the Chairman, Capt. Doty, nominated B. Pickard and A. W. Brooks as minute secretaries, and Rev. F. G. Purnell and G. W. Flewelling as nominating committee.

The Secretary then called the roll of ministers and delegates.

The following were elected to sit as corresponding members: Revs. Matthew Kelly, Dr. Day, Carey Walters, J. T. Tucker, C. Earle, J. Davis, J. Murray, Messrs. C. Tavener and A. W. Brooks.

The treasurer then gave his annual report, and the Chairman appointed Rev. J. H. Sulston and Mr. A. Anthony as auditors.

Mr. J. W. Flewelling read the Statistical Secretary's report, which was adopted.

The Nominating Committee reported as follows:

Business Committee—Revs. F. G. Purnell, E. J. Thompson, Mr. A. Anthony, Alex. Godfrey, Martin O'Brien.

Finance Committee—Messrs. F. Anthony, Cedric Flewelling, and J. W. Flewelling.

Membership Committee—Revs. E. J. Thompson and Campbell Tavener.

Resolutions Committee—Rev. J. H. Sulston, C. Durning, Geo. Anthony.

Apportionment Committee—J. W. Flewelling, — H. Sulston, A. Anthony.

The reports of the churches were then taken. After singing a hymn, Dr. Day closed in prayer.

The session resumed at 2.30. The minutes of the morning session were read and adopted. The Rev. J. H. Sulston gave the auditors' report, and on motion the Treasurer's report was adopted.

The Business Committee reported as follows:

Chairman—Rev. F. G. Purnell.

Secretary—Rev. E. J. Thompson.

Treasurer—J. W. Flewelling.

Assistant Secretary—Rev. J. H. Sulston, to act in absence of secretary.

Statistical Secretary—Rev. F. G. Purnell.

Representative to C.C.M.S. and C.C.F.M.S.—Rev. F. G. Purnell.

Representative to College Senate—Dr. Cox and F. G. Purnell.

Superintendent of Young People's Work—Rev. C. Tavener.

Union Preacher—Rev. J. H. Sulston.

Alternate—Rev. C. Tavener.

The Chairman then called upon the Rev. Carey Walters to address the meeting. Mr. Walters brought greetings to the Union, and spoke of the principles of Congregationalism, and emphasized the need of Faith, Freedom, and Fellowship.

Dr. Day then spoke on the spiritual side of the Forward Movement, dealing with the vision of the restoration of the family altar and evangelism in the churches, with a new emphasis on worship and devotion.

Religion must be linked up with the vital movements in the nation. Religion must spend itself in the service of the nation, until Love, Justice and Righteousness are enthroned in the affairs of the nation.

The speaker pleaded for Christian leaders in the nation, and emphasized that there is no place of influence like that of the Christian ministry.

In closing he spoke of Confidence, Fellowship and Service.

The session closed with hymn and prayer.

THE CONGREGATIONAL UNION OF NOVA SCOTIA AND NEW BRUNSWICK

THURSDAY EVENING.

At 8 o'clock a praise service was led by the Rev. F. G. Purnell. The Union was called to order at 8.15, when the minutes of the afternoon session were adopted.

The Rev. F. G. Purnell, on behalf of the Union Committee, moved that the Union preacher for next year be Rev. J. H. Sulston; alternate, Rev. Campbell Tavener.

And further that the following form the Apportionment Committee: Mr. J. W. Flewelling, A. M. Anthony, John H. Sulston, and Chas. Durning.

Mr. Tavener then gave a very warm and cordial welcome to the Union, and the Rev. F. G. Purnell made a suitable response.

The Chairman's address on "The Layman's Place in Evangelism," which followed, was full of stimulating thought—God has a job for the layman. All laymen can assist in finance. The pastor should be relieved of financial anxieties.

The layman should take charge of the Sabbath School, or Bible Class. He should be present at the prayer meeting; where can he do better work than in missionary enterprise?

The public schools, politics, etc., offer a sphere for Evangelism.

At the close of the address a collection was taken for the College.

After the singing of a hymn the benediction was pronounced by the Rev. M. Kelly.

SATURDAY MORNING.

The praise service at 9.30 was led by Rev. J. H. Sulston. At the business session following it was voted to accept the invitation of the church at Hemford, N.S., to meet there in 1920, and Mr. Campbell Tavener was duly examined for ordination.

SUNDAY MORNING.

The Union preacher was Rev. F. G. Purnell of Brooklyn, N.S., who delivered a helpful address on the text, John 11, 39, "Take ye away the stones."

The speaker mentioned the stones which are blocking the Church's progress to-day—skepticism, indifference, doubt and conservatism—urging his hearers to help in removing these stones. This is the task of the church to-day.

The communion service which followed was presided over by Rev. M. Kelly.

The church was well filled at the young people's service in the afternoon, presided over by J. W. Flewelling. Rev. M. Kelly gave a stirring address on "Reality in Religion," based on the text Acts 15, 39, and Rev. J. T. Tucker exhibited a chest full of curiosities obtained from the natives of Africa.

The closing session of the Union took the form of an ordination service, the candidate being Mr. Campbell Tavener, who had been recently called to the churches of Noel, Lower Selmah, and South Maitland.

Solos were rendered by F. Anthony and Rev. F. G. Purnell during the service, at the close of which the delegates joined hands and sang "Blest Be The Tie," bringing to a conclusion the very successful meeting of the Union.

JOHN H. SULSTON,
Assistant Secretary.

The Union Committee met on Friday, July 4th, when Rev. Matthew Kelly led in prayer. The minutes of the previous year were read, and the following recommendations were made:

(I.) This Union desires to acquaint the Publishing Committee with the fact that last year they requested the Editor of the new Year Book to supply the Secretary of this Union with a proof of the minutes to be printed in the new Year Book, and that the Editor having entirely ignored such request they do strongly protest against such treatment.

(II.) That the action of the Executive in giving consent to the proposal to sell the Parsonage at Kingsport in order to secure a better house be confirmed.

(III.) That the Union sit as an Ecclesiastical Council to hear Mr. Campbell Tavener's statement of faith on Saturday morning.

(IV.) That a delegation consisting of the Revs. Matthew Kelly, E. J. Thompson, Geo. W. Ball, and F. G. Purnell be sent to Liverpool to confer with the people of Liverpool and Milton and to examine the Gorham will and trust deed.

(V.) That this Union urge the churches on the South Maitland field to meet the financial challenge of the Missionary Society.

(VI.) That the invitation from Hemford to meet in that church in 1920 be accepted.

(VII.) That the letter from the Rev. G. W. Ball having been considered no action be taken.

(VIII.) That the Executive act as a committee between sessions for the purpose of arranging work in connection with the federation of churches.

(IX.) That the Rev. Campbell Tavener be appointed superintendent of young people's work in the Maritime Provinces.

(X.) In view of the Forward Movement to be undertaken by the Congregational Union of Canada this fall under the leadership of Dr. Day, and in view of the greatly increased cost of living, the Congregational Union of Nova Scotia and New Brunswick, assembled at Noel, N.S., urges the necessity of our churches considering a revision of ministerial salaries. Many of our churches have in these and other provinces already given consideration to this matter, some of them being guided by the suggestion of \$1,200.00 and a parsonage as a minimum amount on which a family can live, but where the above standard is impracticable the Union earnestly suggests that each local church give immediate attention to this matter and see what it can do to meet the present situation by providing some increase in salary.

(XI.) That a message of appreciation be sent to Deacon Phillips of N.E. Margaree for his gift of \$450.00 towards our missionary work in Africa.

(XII.) All the above recommendations were confirmed.

(a) On behalf of the Business Committee Rev. F. G. Purnell moved that the entire expenses of the Secretary in connection with the Union work be fully covered. Carried.

(b) That the Chairman appointed as representative on the C.C.M.S. if unable to attend the C.C.M.S. meetings be empowered to appoint one of the officers as substitute. Carried.

The Finance Committee reported that expenses of delegates had been paid less 25 per cent., the expenses being \$131.50 and the collections \$102. Deficit, \$29.50.

(XIII.) The following recommendations presented by the Resolution Committee were carried:

(a) Resolved: That the Congregational Union of N.S. and N.B. place on record its deep appreciation of the visit of the Rev. W. Carey Walters of Jersey, of his inspiring messages, requesting Mr. Walters to convey to the Congregational Union of England and Wales, to the Colonial Missionary Society, the Hampshire Congregational Union, and the Congregational churches in Jersey, its thanks for the fraternal greetings received through him, which are most cordially reciprocated by the members of this Union.

(b) That this Union express their best thanks to Dr. Day, Revs. Matthew Kelly, and John T. Tucker for their presence with us, and their powerful and inspiring messages.

(c) That the Chairman be given the sincere thanks of this Union for his timely paper on "The Layman's Place in Evangelism," requesting his permission that it may be given for publication in the Canadian Congregationalist.

(d) That the deepest sympathy of this Union be extended to all who have been bereaved of loved ones in the churches.

(e) That the sincere thanks of the visiting part of this Union be given to the churches of Noel, Lower Selmah, and South Maitland for the royal way they have entertained us.

(f) That this Union strongly recommend that the Congregational churches of N.S. and N.B. do their best in taking up the Forward Movement so well set forth by Dr. Day.

(g) As the Secretary of the Union is anticipating a visit to England in the near future with Mrs. and Miss Thompson, we heartily wish them a good voyage, a pleasant stay, and a safe return, asking him also to convey to any Congregational churches he may visit in the homeland greetings from this Union.

CONDENSED MINUTES OF THE THIRTY-THIRD ANNUAL MEETING OF THE C.C.W.B.M.

The thirty-third annual meeting of the Canada Congregational Woman's Board of Missions, convened in Bond Street Congregational Church, Toronto, on Tuesday, Wednesday and Thursday, May 27th, 28th and 29th, 1919. There were eighty visiting delegates registered.

The Executive met on Tuesday afternoon from 3 to 5 o'clock.

The first session of the conference was held on Tuesday evening, and took the form of a "Quiz" on auxiliary work. Mrs. John Leslie, President of the Quebec Branch, very ably took charge of the meeting. Miss Florence McNair rendered a beautiful solo during the evening.

Wednesday morning Mrs. Moodie led in the opening devotional exercises. On the recommendation of the Executive, Mrs. A. Robertson and Mrs. Weegar were appointed Minute Secretaries, and the various committees for the convention were chosen.

The reports of the superintendents of the several departments were very encouraging.

Genuine regret was manifested over the resignation of the President, Mrs. Moodie, and the Treasurer, Miss Thompson, also the resignation of the Superintendent of Home Mission Supplies, Miss Edith McCallum. A lettergram was sent to the absent Treasurer, Miss Emily Thompson, assuring her of the love and gratitude of the Board.

Mrs. Henry Wickson of Toronto gave a very hearty welcome to the delegates, and Mrs. Moodie responded, urging us to go forward and achieve greater things than ever for our Master.

A hearty welcome was given to our two returned missionaries, Miss Melville and Miss Emily MacCallum of Turkey.

Miss Silcox gave an excellent report, and it was an inspiration to all who heard it.

Miss Miatt gave the financial statement. This, too, called for great thankfulness.

The noon Quiet Hours were conducted by Mrs. Thomas Hill of London, and Miss F. B. Rawlings of Forest, the devotional exercises being led by Mrs. Moodie, of Montreal; Mrs. W. T. Gunn, Toronto; Mrs. C. R. Crowe, Guelph; Mrs. Boehmer of Kitchener; Mrs. Ritchie of Brantford, and Rev. Dr. Milarr of Toronto.

The Wednesday evening service was presided over by Rev. Dr. Milarr, of Bond Street. Rev. Ira W. Pierce, of Harpoot College, Turkey, addressed the meeting, speaking on the power of prayer.

Mrs. Houston, of Calvary Church, Montreal, extended a very hearty invitation to the Board to meet there in 1920, which was unanimously accepted.

The regular pledged work of the Board was reassumed. The action of the executive in sending out Mrs. Currie was sanctioned by the Board with joy. Another house for our missionaries is to be provided in Chisamba, and this is to be called the "Annie P. Moodie Cottage," after Miss Moodie, whose legacy of \$500, left to the Board, provided for this building. It was decided to act in co-ordination with the Boston Board and increase the salaries of our missionaries to \$600 each. Another dormitory having been asked for, for our Girls' Boarding School at Chisamba, it was decided to make this an extra for 1919-20, and ask for \$500 at least for this purpose. This dormitory will be called "Moodie Hall," after our retiring President.

A dining hall, etc., has also been asked for, for the G.B.S., which is overcrowded at present. This wing has also been provided for by Mrs. W. P. Carter of Montreal, who will erect it as a memorial to her daughter, and the building will be known as "The Agnes Carter Lee Memorial."

Miss Rawlings and Mrs. J. C. Bale were appointed to represent the C.C.W.B.M. at the C.C.M.S. and C.C.F.M.S. meeting in Hamilton.

There are no less than twelve volunteers for foreign service among the young ladies of our churches. Is not this a challenge to us?

Greetings were sent to our missionaries in Africa and Turkey, and also to our Maritime Branch, soon to convene.

Mrs. W. H. Black, of Montreal, was appointed convener of the Business Committee for 1920, and Mrs. Hugh Pedley, Montreal, convener of Resolutions.

Thursday afternoon Miss Bessie McMurchy, secretary of the W.M.S. of the Presbyterian Church, gave a capital address. Miss McMurchy told of the various ways in which the Woman's Boards in Canada could work together for the good of both Home and Foreign Missions, emphasizing the power of unity based on prayer. Dr. Gunn followed with a talk on the Forward Movement. Miss Rawlings spoke on the prayer card.

Miss MacCallum, Principal of the American Collegiate for Girls at Smyrna, Turkey, was the speaker at the last evening meeting. Miss MacCallum gave a most thrilling account of her experiences during the war.

A vote of thanks to the hosts and hostesses was proposed by Mrs. Leslie and seconded by Mrs. Crowe.

Hymn and prayer brought a very happy session to a close. The Board adjourned to meet in Calvary Church, Montreal, in 1920.

EVA WICKSON,
Recording Secretary.

BY-LAWS OF THE CONGREGATIONAL PROVIDENT FUND SOCIETY.
GENERAL BY-LAWS

I.—MEMBERSHIP.

1. *As Beneficiary Members*.—Ministers duly received by the Society through either of the branches hereinafter mentioned, and retaining their membership in connection with either fund in accordance with its by-laws.

2. *As Life Members*.—Any person not being Beneficiary Members, who shall have paid to the fund Twenty Dollars at one time.

3. *As Annual Members*.—Churches collecting for the fund, to be represented at the annual meeting, or at any special meeting held in the year following the payment of their collection, by one delegate, who shall not be a Beneficiary Member.

II.—ADMISSION OF BENEFICIARY MEMBERS.

1. Any Congregational Minister in Canada who is in good standing in the denomination and the Pastor of a Congregational Church or a Missionary of the Canada Congregational Foreign Missionary Society, or a Professor in the Congregational College of Canada, may be admitted as a Beneficiary Member of either branch of the fund by a majority of four-fifths of the Directors present, at any meeting of the Board.

2. Before confirming the admission of any applicants, the Board of Directors may, if they think it necessary, make enquiries concerning their general health; and if the result of their enquiries proves unsatisfactory, the Directors may either decline to confirm the reception, or require such additional remuneration as, in their opinion, would be sufficient to cover the extra risk.

III.—TERMINATION OF BENEFICIARY MEMBERSHIP.

1. Any Beneficiary Member, not an annuitant, ceasing to reside in Canada, shall thereby lose beneficiary claim on either fund, but the amount of his annual subscription to the Widows' and Orphans' Fund shall be placed to the credit of his family, under the condition of Article No. XII., then to accumulate with interest at the rate of six per cent. per annum until his death, when it shall be paid to such person or persons as may be lawfully entitled to receive it. Beneficiary members of the Retiring Ministers' Branch, ceasing to reside in Canada, shall cease to have beneficiary claim, but may, in special cases, receive relief from the fund to the amount of their subscriptions to the fund.

2. Any Beneficiary Member leaving the Ministry or the denomination shall thereby forfeit all claim upon the fund, unless he has been a member for ten years; but after having paid ten years' annual subscriptions he shall have the privilege of withdrawing from the Society, and receiving as surrender value of his claim on its fund, an amount based upon the reasons of his withdrawal, as follows: If he leaves the country, but not the ministry of the denomination, he shall be paid three-fourths of the total amount of his annual subscriptions; if he enters the ministry of another denomination, he shall receive one-half of the total subscriptions paid; if he leaves the ministry, he shall be entitled to two-fifths of the total subscriptions paid. But no member shall be entitled to receive anything from the Society if he was not in good standing in the Congregational Union of Canada at the time of his withdrawal from the denomination or ministry.

3. Any Beneficiary Member who may have been connected with the Society, as such, for a period of not less than five years, and who has paid all his annual premiums may, if he so desires, withdraw his membership from the Society, and claim a refund of two-fifths of the amount of the premiums paid in by him, if wife is still living.

IV.—RE-ADMISSION OF BENEFICIARY MEMBERS.

1. Any member returning to Canada (if permitted to resume his connection with the Widows' and Orphans' Branch) shall pay all arrears and an additional rate of 20 cents per annum for each year of his absence, and the amount accumulated to the credit of his family shall relapse to the fund.

2. Any member resuming his connection with the Retiring Ministers' Branch shall do so on conditions to be arranged by the Directors.

V.—MEETINGS.

1. An annual meeting of the Society shall be held at the same time and place as that of the Congregational Union of Canada, at which a report from the Directors and the Treasurer's accounts shall be presented, Directors elected for the ensuing year and any other general business of the Society transacted.

2. Special meetings of the Society may be held at its pleasure, expressed at any meeting thereof, or at the call of the Directors.

3. Beneficiary Members, in connection with either branch of the Fund, shall be entitled to attend and vote at all meetings of the Society.

4. In case of a division, a majority of two-thirds shall be necessary to constitute a vote.

VI.—MANAGEMENT.

1. The funds of the Society shall be held and managed by a Board of ten Directors (five to form a quorum), eight residing in or near the City of Montreal, to be elected annually by the Society.

2. The Directors, when elected, shall, from their own numbers, choose a Chairman, Deputy-Chairman, Treasurer, and Secretary, and may make such standing rules for their own guidance (not being inconsistent with the Act of Incorporation and its amendments or by-laws), as they may deem needful, subject to the approval of the Society at the next annual meeting.

3. They shall also have power to fill vacancies in their own number, shall be eligible for re-election, and shall hold office until their successors are appointed and assume their duties.

VII.—INCOME AND INVESTMENTS.

1. The funds of the Society shall be derived from Annual Church Collections, Subscriptions, Donations and Legacies, the rates paid by Beneficiary Members, and the proceeds of investments.

2. The amount received for Church Collections, or otherwise contributed for the general purposes of the Society, shall be divided between the Branches at the discretion of the Board; but money contributed from any source, and especially designated for either Branch, shall be so applied.

3. The Funds shall be invested only in undoubted securities to be held on the Society's behalf by the Chairman or Deputy-Chairman and the Treasurer, in the name of the Incorporated Society.

4. Any investments or transfers from one investment to another shall be made only by vote of the Board.

5. The Treasurer shall give such security to the Board for the funds in his possession as they may from time to time require.

VIII.—DISPUTED CASES.

In the case of any dispute arising between Beneficiary Members or Annuitants and the Directors of the Society, each party shall choose an arbitrator, and these, if necessary, an umpire, whose decisions shall be final.

IX.—REVISAL OF RATES AND ANNUITIES.

The amount of the rates of premium and annuities shall be reconsidered at each fifth annual meeting, reckoning from that held in 1863, and should any re-adjustment be needed such re-adjustment shall not be deemed to be a violation of good faith by any parties whatsoever.

X.—ALTERATION OF BY-LAWS.

The By-laws of the Society may be enacted, amended or repealed at any annual meeting, provided that notice to such effect has been given at the previous annual meeting. But this shall not apply to the case provided for in By-law IX.

WIDOWS' AND ORPHANS' BRANCH.

XI.—BENEFICIARY SUBSCRIPTIONS.

The following shall be the scale of rates, payable annually, by Beneficiary Members of the Widows' and Orphans' Branch:—

1. By those received under thirty years of age, and by Alumni of the Congregational College of Canada, subscribing within twelve months from the date of their ordination, Ten Dollars.

2. By those received over thirty and under forty years of age, Twelve Dollars.

3. By those received over forty and under fifty years of age, Fourteen Dollars.

4. By those received over fifty and under sixty years of age, Sixteen Dollars.

5. By those received over sixty years of age, such a special rate as may be agreed to by the Society.

6. All subscriptions to be payable semi-annually on the 1st of January and July, and if not paid within three months, to be subject to a fine of \$1. If not paid within twelve months, due notice having been given by the trustees, the minister so in arrears shall be held to have withdrawn from connection with the fund.

7. Any Beneficiary Member, who shall have paid thirty annual premiums, according to the above assessment, shall be exempt from further subscriptions, and shall maintain his status as a Beneficiary as before.

XII.—ANNUITIES.

There shall be paid from the funds of the Society to the families of the Beneficiary Members the following annuities:—

1. To their Widows for life, or until re-marriage, Two Hundred Dollars per annum.

2. To their Widows for each Son under the age of sixteen years, Thirty-five Dollars, but Seventy Dollars for the youngest child.

3. To Guardians on behalf of Orphans, Seventy Dollars for the youngest and Forty-five Dollars for each other child, and two-thirds of what would have been payable to the Mother had she not deceased, until they attain the ages mentioned in the preceding section, provided, nevertheless, that the Directors shall have power to delay such payments to Guardians until they are satisfied that they will be properly applied.

4. It shall be competent for the Society, on recommendation of the Directors, to continue an annuity to an Orphan by special annual grant beyond the period named in Article 2, should there be special reasons for so doing.

RETIRING MINISTERS' BRANCH.

XIII.—BENEFICIARY SUBSCRIPTIONS.

The following shall be the scale of rates, payable annually, by Beneficiary Members of the Retiring Ministers' Branch:—

1. By those received under thirty years of age, and by Alumni of the Congregational College of Canada, subscribing within 12 months from the date of their ordination, Four Dollars per annum.

2. Those received over 30 and under 35 years of age, Five Dollars per annum.

3. Those received over 35 and under 40 years of age, Six Dollars per annum.

4. Those received over 40 and under 45 years of age, Seven Dollars per annum.

5. Those received over 45 and under 50 years of age, Eight Dollars per annum.

6. Ministers over 50 years of age shall be received only on such terms as the Directors may agree to.

7. Ministers who may pay at once, or for whom may be paid by their Churches or by others, a sum equal to the amount of fifteen years' purchase,

according to the age rate indicated above, may become Beneficiary Life Members.

XIV.—ANNUITIES.

1. Beneficiary Members of this Branch having attained the age of 65 years and having been compelled to resign the active duties of the ministry, shall be entitled to an annuity of \$200 for life, payable quarterly, from the Retiring Ministers' Fund; but should there be any good or sufficient reason why it should not be paid—of which reason the Society shall be the sole and sufficient judge—it shall not be paid, anything in these by-laws to the contrary notwithstanding.

2. It shall be competent for the Society, on recommendation of the Directors, to increase the annuity of any Beneficiary Member by a special or annual grant, not exceeding the sum of \$100 per annum additional, and said grant may be made for life, by regular vote, after 12 months' notice given at any annual meeting of the Society.

3. Should the income of either the Retiring Ministers' or Charitable Fund not be sufficient for the payment of annuities for which it is liable, it shall be right and proper for the Society to make such reduction, *pro rata*, on all annuities as will cover the deficiency, anything in these by-laws to the contrary notwithstanding.—See By-law XVI., Clause 2.

XV.—CHARITABLE FUND.

1. The proportion of Charitable Subscriptions, Donations, Legacies, and Church Collections available shall be placed to the credit of an account to be called the Charitable Fund, until the sum of One Thousand Dollars is secured, the interest of which only shall be available for grants or annuities.

2. After \$1,000 is secured, one-half of said Subscriptions, Collections, etc., shall be reserved to constitute an Endowment Fund, until the sum of \$5,000 has been secured.

3. The other half with the proportion of interest due to this account, shall be available for grants or annuities; but should the income in any year exceed the disbursements of that year, the surplus, after allowing a small balance for contingencies, shall be added to the Endowment.

XVI.—CHARITABLE ANNUITIES.

1. The Society may, from the Charitable Fund, make special or annual grants to any aged or infirm Congregational Minister laboring in Canada, though not a Beneficiary Member.

2. Should the Retiring Ministers' Fund not be sufficient for the claims of annuitants, it shall be proper to supplement that Fund from the Charitable Fund.

MINUTES OF THE ANNUAL MEETING OF THE CONGREGATIONAL PROVIDENT FUND SOCIETY

The Annual Meeting of the Congregational Provident Fund Society was held in the First Congregational Church, Hamilton, on Thursday, June 5th, 1919, at 4.30 p.m.

The President, Mr. Charles Gurd, occupied the chair.

Rev. A. Margrett led in prayer.

The minutes of last meeting were taken as read and adopted.

The reports of the Secretary and Treasurer were read by Mr. Thos. Moodie, and, on motion of Mr. Moodie and Rev. A. Margrett, were received and adopted.

Rev. Dr. Hill, seconded by Rev. T. W. Davidson, moved that Rev. M. Kelly and Mr. Lorue Johnstone of First Church, Hamilton, be a Committee to promote the interests of the Society among the Ministers, with a view of securing additions to membership.

Rev. Dr. Hill, on behalf of the C.C.F.M.S., thanked the Society for having made the change in Constitution whereby Missionaries are admitted to membership.

The United Brethren representatives were asked to give the Directors a statement of the method by which the \$351.00, paid over by them to the Society, is to be administered.

Application for membership to both branches of the Society was made by Rev. H. D. Whitmore, Rev. Frank Sanders, and by the C.C.F.M.S. on behalf of the Rev. J. T. Tucker, B.D., Rev. J. A. Steed, M.A., B.D.; Dr. Reuben S. Hall, and Mr. L. Gordon Catell. These applications were referred to the Board of Directors.

The following were elected Directors for the ensuing year: Mr. Charles Gurd, Mr. W. A. Wood, Mr. T. B. Macaulay, Mr. W. W. O'Hara, Mr. A. McA. Murphy, Mr. W. H. Black, Mr. Arthur Birks, Mr. Thomas Moodie, Mr. W. E. Booth, Mr. S. H. Alexander.

Mr. John Anderson was elected Auditor.

Mr. Thomas Moodie was re-elected on Conditional Gifts Committee.

Rev. H. D. Whitmore, seconded by Rev. J. W. Newbery, moved that the thanks of the Society be extended to the retiring Board for services rendered.

The meeting adjourned.

JAMES T. DALEY,

Minute Secretary.

ANNUAL REPORT OF THE CONGREGATIONAL PROVIDENT FUND SOCIETY

Your Directors would respectfully refer to the Annual Report of the Treasurer, which fully reveals the financial transactions during the past year, and the present condition of the Society.

Through the generous thoughtfulness of Miss Annie P. Moodie, the Retiring Ministers' Branch and the Widows' and Orphans' Branch have benefitted to the extent of \$1,000 under the terms of her will.

This is the second legacy we have received in recent years, and we would again remind our friends of the claims of this Society, and urge that when they are disposing of their estates they should bear in mind the very worthy and pressing work this Society undertakes, and look beyond the Society itself to the retired Ministers and their widows and orphans whom we aim to assist. No service of equal merit, requiring anything like equal talent and preparation, is performed for the public for so slight a financial reward as that of the devoted men who fill our pulpits and minister to our spiritual needs. The claims of labour upon industry are fully recognized by the law in the case of accidents occurring in the course of employment, and are being more and more recognized in the direction of sick benefits and pensions. The principle that the industry must care for the worker is due for general recognition, and surely the Christian Church should lead the way and provide generously for the declining years of the men whose active lives have been devoted to its progress and upbuilding at so slight a financial reward.

While our Fund is growing, and the amount of the pension has grown at a creditable ratio (25 per cent. for the last five years, and 33 1-3 per cent. for the previous five-year period), the amount of \$250 per annum is grossly inadequate as a pension, but can only be increased by increased contributions from

our members. Too many of our churches neglect altogether the collection for the Provident Fund, and some of those who do subscribe might, we modestly think, do better. Very few reach the amount apportioned to them. May we commend this matter earnestly to the churches.

In common with the whole body of Congregationalism, we suffered a severe loss by the death on the 5th August last of Mr. Henry O'Hara, a member of the Board for a great many years, and at the last Annual Meeting appointed an honorary life member. By reason of distance, Mr. O'Hara was unable to attend the meetings of the Directors, but we relied upon his warm interest, and the objects we had in view always commanded his hearty support.

Notice of motion was given at the last Annual Meeting as follows:

"That at next Annual Meeting the By-laws be amended as follows:

"By-law No. 1, Clause 1, after 'Ministers' in line 1, add 'or missionaries.'

"By-law No. 11, Clause 1, line 3, after 'Canada Congregational Foreign Missionary Society' add 'or of The Canada Congregational Woman's Board.'

"And that this matter be committed to the Board of Directors."

The Board endorses this change.

This matter, with the election of the Board of Directors and an Auditor, will come before you for action.

Respectfully submitted.

W. H. BLACK,
Secretary.

Montreal, 2nd June, 1910.

TREASURER'S REPORT

The Treasurer can again report a good year. There has been an increase of seven churches contributing, 34 against 27 last year. Still a small proportion of the whole number of churches, and an increase of \$59.21 in contributions.

We have also to report a legacy of \$1,000.00, duty paid, from the estate of the late Miss Annie Paterson Moodie (half to each Branch).

In the Widows' and Orphans' Branch the increase in assets amounts to \$2,716.04. We have carried \$2,000 to capital account, leaving \$697.00 at credit of revenue account. We have also opened accounts for Revs. J. L. Alexander, J. G. Hindley, W. E. Gilroy, and H. J. Kilbourn, they having left the country and come under By-law III., Clause I.

Rev. H. Pedley, D.D., has withdrawn, and has been refunded \$96, according to By-law III., Clause 3.

We have five annuitants and nineteen beneficiaries.

In the Retiring Ministers' Branch the increase in assets amounts to \$3,387.33. We have carried \$2,000.00 to capital account, leaving \$911.78 at credit of revenue account.

Rev. T. A. Munroe has joined this branch, paying a sum equal to fifteen years' premium as per By-law XIII., Clause 7, the first to take advantage of this privilege.

We have no annuitants in this branch, but we have twenty-two beneficiaries.

The investments are all in good shape.

The financial statements duly audited are herewith presented.

DEPARTMENT OF YOUNG PEOPLE'S SOCIETIES AND SUNDAY SCHOOLS

President—Rev. D. A. Armstrong, 6 Secord Ave., Ottawa.

Secretary-Treasurer—Rev. Frank Sanders, 17 Cork St., Guelph.

Editor Young People's Department—Rev. T. D. Rayner, Watford, Ont.

EDUCATIONAL SECRETARY'S F. M. REPORT FOR THE CHURCH AND YOUNG PEOPLE'S ORGANIZATIONS.

We have to report that the carrying out of our work this past year has been under considerable handicap, owing to the ravages of the influenza during the fall and winter months, when it was necessary to push the work of this department. The promised and anticipated visit of your Secretary to Boston had to be indefinitely postponed. The offerings for our work could not in many instances be taken on the usual dates; while the work in our Sunday Schools and Young People's Societies was quite seriously interfered with, and the work in general much disorganized. This, too, being the first year that your Educational Secretary was in charge of the whole F. M. Educational work, a great deal of time had to be spent in feeling out the situation. This was necessary as a preliminary step before we could lay plans for systematic work on an intelligent basis. Consequently, we have spent much time in the gathering of information, securing statistics, procuring key men and in becoming acquainted with the methods and plans already in vogue for bringing the work of F. M. to the attention of our young people and of our churches. And while we are not able to present a complete report we have been able to make considerable progress. And in the gathering of this information much valuable assistance was given by our F. M. representatives in the different associations. Our chief difficulty in promoting our plans, however, is found in the lack of co-operation on the part of our church officials, lay and ministerial, who have been slow to forward the information desired and requested. This difficulty we hope in time to overcome and get into closest touch with all our churches. Meantime, let us express our sincere appreciation of those who have so kindly assisted the department in every possible way.

The following is a brief account of our activities for our denominational year just ended: Envelopes and circulars were sent out to all our churches in time for the annual offering in November last; also for the S. S. and Y. P. S., with the request for an offering from each. And while the report is not complete with regard to the gifts received, there are many indications of quickening interest, particularly on the part of our young people, where in many instances F. M. matters are carefully and systematically presented. Just here is the hope of our F. M. enterprise. For if we interest the children and secure their co-operation, we will, in the near future, have a mighty factor in the development and support of our Chisamba Mission and Dondi Institute. There have been many indications the past year of the interest of the children in our work, although their gifts cannot at present be tabulated, owing to the fact that their gifts have not been separately recorded. We are able, however, to report general and generous responses to the appeals for the Armenian Relief Fund. Many schools, too, have raised War Bonds, and have also contributed to the support of African children as a result of Mr. Steed's tour of the churches. We have further to report that the fund for the David and Allan Gunn Memorial School has been practically completed. One thousand and nineteen dollars and twenty-four cents had been previously contributed, and \$500 more has been promised, of which amount \$141.25 has already been paid.

Nine copies of "The Christian Occupation of Africa," forwarded through the courtesy of the A. B. C. F. M. from the surplus stock, have been distributed.

One hundred copies of missionary ammunition entitled, "The Money Test," were purchased and sent to all the ministers in the denomination.

Also 100 copies of missionary ammunition entitled, "The Call to F. M. Service," have been purchased and similarly distributed.

Three copies of "The Story of Chisamba Retold," were sold by your Secretary during the year. Free literature has also been sent out on request to leaders in our Y. P. work, one of whom, Miss Fullerton, of Victoria, is now under appointment by the Woman's Board for Africa.

We further recommend to our churches the following missionary literature:

BOOKS:

"The Lure of Africa," 40c. and 60c.

"An African Trail," 35c.

"African Adventures," 30c. and 40c.

"The Moffats," 60c. and 40c.

"Uganda's White Man of Work."

"Livingstone the Pathfinder," 60c. and 40c.

"Mary Slessor of Calabar," \$1.60.

"The White Queen," the edition published for the young people. 35c.
Very attractive.

"The Story of Chisamba Retold," 60c.

Wall Maps from 25c. to \$1.25.

PERIODICALS:

"The Missionary Review of the World," \$2.50.

"The World Outlook," published by the Methodist Board. \$2.00.

"The Missionary Herald," 75c.

"Life and Light," 60c.

MORE SCHOLARLY PUBLICATIONS ARE:

"The International Review of Missions," \$2.

"The Moslem World," \$1.25.

We recommend also the literature of our Woman's Board, of which a list can be secured from them.

Your Secretary has also been made a member of the Quebec Cong. S. S. Board, and further, has in hand the receiving of applications for registration at the summer Missionary Conference at Knowlton, under the direction of the Missionary Education Movt., July 10-17, and Miss Rawlings has been asked to receive applications for the Whitby Conference, June 30th-July 7th. Both will be glad to send names of all who can attend.

In conclusion, we would recommend that pastors and leaders push our F. M. work vigorously during the coming year. It will abundantly repay us. Therefore, let us not be reticent about pressing the claims of this work on the attention of our people. Preach missions, pray for their success. Become possessed of the missionary spirit and give the evangelization of the world a big place in the programme for the coming year, and we will find that our own lives and the life of the church will be greatly advanced thereby.

We also request that every church S. S. and Y. P. S. appoint a key man to look after the interests of F. M. in these various departments where this has not already been attended to. Also, that the gifts from the churches, S. S. and Y. P. S. be recorded separately in remitting to the treasurer. And lastly, that we all co-operate to make this the best year in our F. M. history.

Respectfully submitted,

A. F. POLLOCK,

Educational Secretary of the C. C. F. M. S.,
Granby P.Q.

REPORT OF SLIDE DEPARTMENT

During the Fall of 1918 your Lantern Slide Department received many letters from our congregations and dates were arranged for our various sets of slides. In addition a few of our pastors asked for extra slides, such as hymn sets and sets on the Holy Land. The Presbyterian Lantern Slide Department placed an advertisement in the Congregationalist and the two departments worked in harmony. The "flu" caused a general cancelling of dates and the re-arrangement of the plans in the local churches made it impossible to recover the lost ground.

The sets have been used to great advantage and blessing during the year. Much correspondence was carried on with various congregations in connection with the use of slides in church services, many questioning the propriety of such use. Your secretary has tried to be faithful in fundamentals, but is a strong advocate for the use of slides, especially for song services. The Methodist Church in the States is not alone putting a large sum of money into slides, but are renting the very best films for moving pictures, illustrating various Bible characters. Winnipeg churches are introducing films, and claim great success. The Presbyterian Church is spending a large amount this year in an effort to supply a greatly increased demand throughout Canada.

Your Secretary is aware that many of our congregations have used the sets owned by our own church, and recommends the Lantern Slide Secretary for the coming year to secure lists of suitable sets of slides from the larger centres, and have these printed and sent to each of our ministers and officers of our Young People's Department. We also recommend the purchase of a few illustrated standard hymn sets. The cost would be relatively small, and the sets would pay for themselves in the course of a year or two. We should also have a first-class set of "Home Mission" slides available. A set of slides on "Canadian Congregationalism" would be of great educational value.

There is no financial statement. Your secretary has enjoyed the small service involved, and the obligations met for repair of slides and correspondence need not be considered.

Faithfully yours,

BERTRAM NELLES,

Lantern Slide Secretary.
